NINETEEN HUNDRED AND FIFTEEN

GRAND MASTER'S REPORT

BRIDGEPORT, CONN., May 19, 1915.

To the Grand Lodge, I. O. O. F., of Connecticut.

REPRESENTATIVES:—In accordance with the law, I, Henry C. Stevenson, Grand Master of the Grand Lodge, I. O. O. F., of Connecticut, herewith submit to you my annual report of my doings for the past year, which I trust will meet with your approval. I ask that my official actions, embodied herein, including decisions, proclamations and circular letters, dispensations, releases, etc., be referred to proper Standing Committees; and that this Grand Body take action approving or disapproving all my official actions which I have performed since the last meeting of this Grand Body, one year ago, for the information and guidance of whom it may concern.

It is with exceedingly great pleasure that I welcome the Representatives of this Grand Lodge to my home city of Bridgeport to-day, and the delegates will find that this city and its citizens are glad of their presence, and will prove so by their cordiality to you while you remain in their midst. Bridgeport is alive to the benefits and merits of Odd Fellowship, as is proved by the fact that the Subordinate Lodges of this city contain about 2,600 members and the Rebekah Lodges here about 1,300, or a total membership in this city of almost 4,000 members.

We are greatly honored to-day by having as our guest, Judge Robert T. Daniel, the Grand Sire of the Sovereign Grand Lodge, and we feel deeply grateful to him for honoring this Jurisdiction to-day with his presence. It is the first time that a Grand Sire has visited the city of Bridgeport since about thirty years ago, at which time my father, William H. Stevenson, now deceased, was Grand Master, when I well remember that we had the pleasure and honor at my home of entertaining Hon. Charles M. Busbee, of North Carolina, the then Grand Sire of the Sovereign Grand Lodge, who at that time delivered a stirring address to our membership in Bridgeport at the Park City Theatre, which was filled to overflowing with a splendid and appreciative audience.

I am very pleased to report the condition of the Order in Connecticut at this time to be excellent in every way—active and growing—despite the circumstances of the severe business depression through which we have passed and the unsettled condition of affairs which has been caused since last summer by the great world war which is now raging in

Europe, Africa and Asia. I am gratified to be able to report to this Grand Lodge a net gain during the year up to January 1st, last, of over 500 new members in Subordinate Lodges and over 600 new members in Rebekah Lodges, which net gains speak very well for the times; since our suspensions for non-payment of dues and our deaths have both been very large, and to make these net gains above all those adversities is something of which the Order should well feel proud in Connecticut.

We have in this State over 24,000 Subordinate members and over 8,000 Rebekah members. The assets of the Subordinate Lodges amount to over \$930,000, and of the Rebekah Lodges over \$42,000, or total assets in this State of about \$1,000,000 accumulated for the legitimate trust purposes of our great brotherhood in Connecticut.

Our Lodges, I am delighted to report, have also, as well, been very active since January 1st, the end of the last term, and official report time, taking in an abundance of splendid material into their membership, and in nearly every part of the State there is to-day activity in the degree work among our Lodges, both Subordinate and Rebekah. Without attempting to give any official figures of the gains since January 1st, it is estimated that in the last four months, since any returns were rendered, the Subordinate Lodges have taken in over 400 new members and that the Rebekah Lodges have taken in over 500 new members in the same period. All in addition to the above prior gains previously enumerated in the preceding paragraphs.

As is to be expected in a large membership like ours in Connecticut, among the 92 Subordinate Lodges and 56 Rebekah Lodges, or a total of 148 Lodges in the State under the jurisdiction of this Grand Lodge, there has been some friction and differences of opinion. But I am happy to say that I have been able to straighten out all discord that has arisen from time to time, so that I am gratified to be able to report to this Grand Lodge that there are now pending no appeals from any decisions or rulings as made by myself as Grand Master.

DEATH OF PAST GRAND MASTER DELEEUW.

It was with great sorrow that the Grand Officers and the entire membership of the Order in Connecticut learned of the death, on July 19, 1914, of Past Grand Master Leopold deLeeuw, of Hartford, Conn. In his death, a very great loss was sustained to Odd Fellowship in Connecticut. For years he had labored unceasingly for the good of this Order and of mankind. His labors and services as President, and as Treasurer, of the Odd Fellows Home Corporation in this State will ever remain a lasting testimonial to his worth and merit. Funeral services were conducted by your Grand Master and your Grand Chaplain at Hartford on July 21, 1914, at which time all of the Grand Lodge Officers were present, besides a great number of sorrowing Hartford brothers. I will not attempt in this report to make any lengthy sketch of our good departed brother's work in our behalf, as I referred the matter to our

Standing Committee on Necrology for a report, which you will hear later to-day.

LOST RITUALS.

I am sorry to have to report the loss, discovered at the time of the January installations, of three Rituals, one each by Wooster Lodge, No. 37; Naugatuck Lodge, No. 63, and Butler Lodge, No. 97; being Rituals numbered, respectively, No. 37 F, No. 63 D, and No. 97 D. I directed that the installations proceed and that a very exhaustive search be made for the lost volumes. The District Deputy Grand Masters reported to me that, after careful investigation, the books could not be discovered. On March 1st, the Rituals still being missing, I fined each of said three Lodges \$10.00, in accordance with the laws of this Grand Lodge, which fines were promptly paid to the Grand Secretary by the said three Lodges.

DISTRICT DEPUTY GRAND MASTERS' MEETING.

The District Deputy Grand Masters' meeting was held at New Haven on June 3, 1914, which was largely attended from all sections of the State, only a few of the Deputies being absent. State Instructor Sidney W. Challenger instructed in the secret work in his usual careful manner, and the Grand Master made an address outlining somewhat the duties of the Deputies and what was expected of them for the coming year. The meeting was very successful. A like meeting was held of the Rebekah District Deputy Grand Masters, who were instructed in the secret work by Mrs. Elizabeth A. Manville, State Instructress; and for the German Rebekah Lodges by Mrs. Hedwig Pflieger, of New Haven, State Instructress for the German Rebekah Lodges. The Grand Master likewise addressed this meeting, giving instructions and outlining the work and duties for the coming year. This meeting was also splendidly attended, only one being absent.

My Deputies have remained in office according to the appointments made by me at your last Grand Lodge Session and as confirmed by you and recorded in the Journal of 1914, with the single exception of Robert Ellegaard, of Hartford, Conn., D.D.G.M. of District No. 16, which includes Tycho Brahe Lodge, No. 13, which does work in the Danish language, who suddenly died and whose funeral was held December 2, 1914, at Hartford, attended by your Grand Master and your Grand Secretary. In memory of Brother Ellegaard I have left the office in that district vacant until this time.

Executive Council meetings were held during the year as seemed requisite and necessary.

CONSOLIDATION OF UNCAS AND GOETHE LODGES.

At a meeting of the Executive Council, held at New Haven on August 29, 1914, the petitions and votes of Goethe Lodge, No. 79, I. O. O. F., of

Taftville, Conn., and Uncas Lodge, No. 11, I. O. O. F., of Norwich, Conn., for permission to consolidate as one Lodge, to be known and titled Uncas Lodge, No. 11, I. O. O. F., of Norwich, Conn., was duly considered, and it was unanimously voted by the Executive Council that it being the part of wisdom so to do, and inasmuch as all the forms of law required by the laws of our Order had been complied with, that the said two Lodges be so consolidated and that their petitions be granted in full; and they were so consolidated; and Goethe Lodge, No. 79, I. O. O. F., was instructed to deliver all its property and funds to Uncas Lodge, No. 11, I. O. O. F., with the exception of its Rituals and charter, which were ordered delivered to the Grand Secretary, as the custodian of this Grand Lodge. I ask that this action of the Executive Council, consolidating these two Lodges, be approved.

CENTENNIAL ANNIVERSARY COMMITTEE.

In accordance with the vote of this body at its last session, I have appointed as a "Centennial Anniversary Committee" to recommend and report upon the subject at this session: Past Grand Masters William S. Hutchison (Chairman), Sidney W. Challenger, Frank E. Roys, Selah G. Blakeman, and Grant U. Kierstead.

GOOD SAMARITAN COMMITTEE.

In accordance with the vote of this Grand Lodge at its last session, I have appointed as the "Good Samaritan Committee," to act in accordance with said vote, Past Grand Masters Frank R. Upson (Chairman), Charles B. Ware, and Frederic C. Burrows, whose duty it is to investigate and report the advisability of providing financial and attentive assistance for sick and helpless widows of deceased Odd Fellows and other members of our fraternity whose condition will not permit their admittance, under present rules, at Fairview, the Odd Fellows Home, at Groton, Conn. This Committee will make a detailed report of their findings at this session of this Grand Lodge.

OTHER COMMITTEE APPOINTMENTS

As Chairman of the Committee on the State of the Order, to take the place of Past Grand Master Leopold deLeeuw, deceased, I, on August 4, 1914, appointed Past Grand Master Frank R. Upson, of No. 75, as Chairman of said Committee.

As a Committee on Credentials, I, on April 20, 1915, appointed Harry H. Pritchard, of No. 4 (Chairman); Herbert D. Booth, of No. 99, and Orville Rector, of No. 41.

As Committee on Distribution of the Grand Officers' reports, I have appointed Past Grand Master Philip Pond, as Chairman, together with Brothers Benjamin B. McFarland, of No. 1, and Charles D. Pulver, of No. 65.

VETERAN ODD FELLOWS ASSOCIATION.

All Odd Fellows of continuous twenty-five years' good standing in the Order are entitled as a "Veteran" under the laws of our Order to procure and wear a Veteran Jewel as prescribed by the Sovereign Grand Lodge, and to join the Veteran Odd Fellows Association in Connecticut. I strongly recommend and urge that all brothers who are qualified by such honorable length of service in our midst to join our Veterans Association, of which Brother Frank R. Upson, P.G.M., of Southington, Conn., is the Secretary and can give all requested advices to inquiring brothers. The Association holds two meetings annually—one in summer, and one in the winter—at which time they partake of a banquet or dinner together. The Association is large, and several hundred Veteran brothers from all sections of the State attend its meetings, which are most enjoyable. I think there are no dues whatever to the Association; simply present your written application for membership with fifty cents, and then attend whatever of the winter and summer meetings you can and pay for your dinner ticket, when you attend, and have a delightful time, fraternizing with the other Veterans. Try it once, Veteran brothers, and you will surely get the habit.

RULINGS AND DECISIONS.

The following Rulings and Decisions have been made by me during the past year. DECISION 15. *Q.*—A brother while in arrears and non-beneficial is injured. Later, while still disabled, he pays all arrearages and in advance, and afterwards dies of said injuries. Is a funeral benefit due?

A.—No. He is not in good standing when he dies, because then non-beneficial.

DECISION 16. *Q.*—Must candidates for degrees be balloted for separately, and must the degrees be balloted for separately?

A.—Yes. Candidates must be balloted for by ball-ballot separately; but all degrees for each candidate may be balloted for at one time, except initiatory.

A.—No.

DECISION 20. *Q.*—Is it proper to use the contingent fund of a Rebekah Lodge to purchase a Past Noble Grand Jewel for the D.D.G.M., she being a Past Noble Grand of the Lodge?

A.—Yes. If first referred to a committee to investigate and whose report is favorable to such an appropriation.

DECISION 21. *Q.*—A Noble Grand's resignation is accepted. Does the Vice Grand take the office or must a new election be held?

A.—A new election must be held.

DECISION 22. *Q.*—Has the new Noble Grand got to be installed before holding the chair?

A.—Yes, of course.

DECISION 23. *Q.*—For last part of term to fill vacancies the Vice Grand is elected Noble Grand and the Right Supporter to Vice Grand is elected Vice Grand. Are the elections legal?

A.—No, unless the Vice Grand has served a prior term or the last of a term as Vice Grand, and unless the Right Supporter had served a full term in some office other than Trustee.

DECISION 24. *Q.*—Is there a legal blank printed form of Application for Dispensation?

A.—Yes. They may be obtained of Grand Secretary. They contain a place for the approval and signature of the D.D.G.M., which should be endorsed thereon before forwarding to the Grand Master.

DECISION 25. *Q.*—In case of resignation of Noble Grand and vacancy in that office, what officer presides until new election and installation?

A.—Vice Grand.

DECISION 26. *Q.*—In above case can nomination, election and installation all take place the same meeting?

A.—Yes.

DECISION 27. *Q.*—A retiring Noble Grand is absent at his last meeting and the installation of his successor, and is not present for installation as Junior Past Grand. Is he entitled to rank of Past Grand without being regularly installed?

A.—Yes.

DECISION 28. *Q.*—May board paid to the Home for a brother be afterwards considered as a credit towards sick benefits when he is not a resident of the Home?

A.—No.

DECISION 29. *Q.*—Should applications for dispensations by Rebekah Lodges be sent by Rebekah Lodge direct to Assembly President or through District Deputy?

A.—They should be written on the regular printed blank forms and sent for approval or disapproval to the Deputy and by her sent to the President. The President should return the dispensation or the refusal thereof to the Deputy. Among Subordinate Lodges similar papers should pass through the Deputy to the Grand Master and not go direct from the Lodge.

DECISION 30. *Q.*—Is it lawful for a Rebekah Lodge to vote, by motion made, seconded, and carried, at one session, a salary of a small amount to Secretary for services, when there is no by-law on the subject? Can such a motion be legally entertained?

A.—Yes.

DECISION 31. *Q.*—Can a visiting brother from another Jurisdiction be admitted upon his card or certificate in date and upon giving the T.P.W. to the Noble Grand before the Lodge is opened, or after, without an examination by a committee as laid down in the Ritual?

A.—No. He must be examined by committee upon his first visit on the card or certificate.

DECISION 32. *Q.*—Member suspended for N.P.D. applies for reinstatement within one year, is elected and pays under by-law provision therefor, a sum equal to one year's dues. Does that pay any advance dues for him, and is he in good financial standing?

A.—That amount only pays his new entrance or his reinstatement fee. He must also pay regular dues from that time to be in good standing.

DECISION 33. *Q.*—A suspended member is reinstated to membership by proper vote after proper application therefor and the payment of the fee equal to one year's dues. Does he have to sign the constitution again before his membership commences again and before his dues start to run again?

A.—No.

DECISION 34. *Q.*—Does the law relating to members over 60 years of age who have been contributing members for 25 consecutive years being retained as non-contributing members when more than one year in arrears for dues, apply to Rebekah Lodges and their members?

A.—Yes. The law was made so to apply by legislation in 1913 by the Sovereign Grand Lodge.

DECISION 35. *Q.*—A Lodge Treasurer-elect fails for over three months to appear for installation. What shall the Lodge or the D.D.G.M. do?

A.—The Treasurer-elect should decline or resign, or, in case of his refusal to do so, either the Lodge by two-thirds vote, or the Deputy, may declare the office vacant and order a new election.

DECISION 36. *Q.*—A brother is entitled to sick benefits. He has been

adjudged an incompetent person by the Probate Court and a conservator has been appointed under bonds over his estate. Should benefits be paid to him or to his conservator?

A.—The benefits should be paid to the conservator, or expended by the Lodge direct for the brother's needs.

DECISION 37. *Q.*—A brother while in arrears for dues goes insane and continues insane without paying dues for over a year. Should he be suspended for non-payment of dues?

A.—No. He should not be suspended, but should be carried on the Lodge list books as a member during the continuance of his insanity.

DECISION 38. *Q.*—Is it legal to elect and to initiate a candidate at the same meeting?

A.—Yes. Providing the election is a legal one and takes place at a later regular meeting to the receipt and reference of the application.

DECISION 39. *Q.*—Brother taken sick in November and continues sick and draws full benefits to May, when he is declared off the Lodge sick list with his consent by the Noble Grand. In June he was placed in a sanitarium in another city, but his Lodge not notified until August. Another organization is paying his sanitarium expenses. For what benefits and hospital or nursing expenses is the Lodge liable?

A.—He should be placed on the sick list for a new sickness dating back two weeks (under By-Laws) prior to August, when Lodge received notification. He does not appear to now need any additional care or nursing to what he is now receiving, and he should be placed under the care of a Lodge where he is, and circumstances should govern whether he later requires a nurse or watcher in addition to present care. He should receive sick benefits weekly.

DECISION 40. *Q.*—By-Laws provide for funeral benefit to brother on death of his wife. On wife's death, brother makes no application for benefit. Brother dies two years later. Daughter now first informs Lodge of wife's death and asks for benefit on death of wife. Is daughter entitled to funeral benefit to brother on death of wife?

A.—No. The brother waived his own right by not making application and notifying Lodge; and daughter never had any right.

DECISION 41. *A.*—Can an application for membership be received, or can a ballot or election for membership be had at a special meeting?

A.—No. Neither can be done at a special meeting.

DECISION 42. *Q.*—Is a D.D.G.M. superior in rank to a Rebekah Assembly officer?

A.—Yes. The D.D.G.M. is the direct representative of the Grand Master and of the Grand Lodge.

DECISION 43. *Q.*—Is it proper for an Odd Fellows Lodge to appoint a committee to act with committees from other organizations to form a joint organization for some special purpose?

A.—No.

DECISION 44. *Q.*—Would it be legal to hold a joint installation of officers of three Subordinate Lodges?

A.—Yes.

DECISION 45. *Q.*—Is a young unmarried woman who will become eighteen years of age in two months eligible to Rebekah membership?

A.—No, not until her birthday arrives.

DECISION 46. *Q.*—Has a Rebekah Past Noble Grands Association the right to use a degree, or signs, or ballot box, or password, or vote on qualified applicants of proper rank for admission?

A.—No. (See S.G.L. Journal of 1914, pp. 542 and 543—Decisions 27 and 28.)

DECISION 47. *Q.*—Has a club composed wholly of Odd Fellows the right to use the name and style, "The I. O. O. F. Club?"

A.—No.

DECISION 48. *Q.*—A brother while in good standing becomes insane and is committed to State Hospital for Insane. He is entitled to continuous benefits of amounts in excess of his board and support there. The benefits were paid to his wife until she ceased to pay his board and allowed him to be supported by his town as a pauper. To whom should benefits be paid?

A.—The benefits should be used as a trust fund with which to pay his board and for his maintenance and clothes and for his wife's maintenance if she gets in pressing need; and the balance, if any, retained and paid over to the brother if he recovers his sanity or to his executor or administrator on his death. (S.G.L. Journal 1902, pp. 871 and 872.)

DECISION 49. *Q.*—Can the Grand Master grant a dispensation to a Rebekah Lodge to receive applications for membership and ballot upon the same at the same meeting?

A.—No. Rebekah Lodge Constitution requires that they be laid over for investigation at least one meeting.

DECISION 50. *Q.*—Can Grand Master give permission for initiations or other degree work at special meetings?

A.—Yes, providing meetings are properly warned in accordance with constitutional requirements as to notices given, etc.

DECISION 51. *Q.*—Can Grand Master grant dispensation for ballot on applicants for membership and election of officers at special meeting?

A.—No.

DECISION 52. *Q.*—Is it necessary for a nominee or electee to be present at the meeting when nominated or elected?

A.—No.

DECISION 53. *Q.*—Can a Subordinate Lodge Treasurer be elected and installed for two terms or one year?

A.—No.

DECISION 54. *Q.*—A Noble Grand-elect is sick and unable to be installed. Who acts as Noble Grand until he is well and able to be installed?

A.—The retiring Noble Grand must continue to act until the installation of his successor.

DECISION 55. *Q.*—Waiting brothers in the anteroom wish to enter during the time the minutes are being read or committees are reporting. Have they the right to enter at such times or must they wait?

A.—Waiting brothers who are able to work their way in should be admitted at once at any time during the Lodge session after the opening and before the closing, excepting only during degree work.

DECISION 56. *Q.*—Without waiting for the decision of an appeal to the D.D.G.M. a member employs a lawyer, not a member of the Order, to sue his Lodge for benefits. Is that such conduct unbecoming an Odd Fellow upon which charges could be successfully predicated?

A.—Yes.

DECISION 57. *Q.*—A Rebekah Lodge Noble Grand is re-elected Noble Grand for the new term. Should she be invested with the collar and jewel of a Past Noble Grand and inducted into the Acting Past Noble Grand's chair before being installed again as Noble Grand?

A.—She should be invested with the collar and jewel of a Past Noble Grand, but should not be seated in the Acting Past Noble Grand's chair.

DECISION 58. *Q.*—A brother who is a Past Grand is Secretary of a Rebekah Lodge. Should he wear his Subordinate Lodge collar, or Rebekah official collar?

A.—He should wear Rebekah Lodge Secretary's collar.

DECISION 59. *Q.*—Can Grand Master grant a dispensation to change meeting hour of a Lodge?

A.—No. He has no authority to do so.

DECISION 60. *Q.*—A brother has a chronic disease which at different periods of time disables him and puts him frequently on the sick list. Is each period of disability a new sickness or new disability at the maximum rate per week, or is it all the same sickness?

A.—It is a new sickness or disability each time at maximum rate per week unless the brother is kept on the sick list continuously. "Sickness" means inability to perform usual vocation, while "disease" has a different meaning. One "disease" may make many "sicknesses." Unless the By-Laws of the Lodge are specific enough to cover the situation when he may be put each time or continued on the original or previous sick list as for a relapse of the same sickness. Depends on By-Laws.

DECISION 61. *Q.*—A Rebekah sister is over 60 years old, and has held continuous contributing membership for over 25 years, but not all in the

same Lodge as at present. Is she entitled to go on the non-contributing list?

A.—Yes.

DECISION 62. Q.—Is a member, whose dues are all paid up and in advance, but who is non-beneficial under the By-Laws for a certain period yet because of delay in payment of dues, in “good standing”?

A.—No. “Good standing” means freedom from any disability by reason of non-payment of dues of any kind on time.

DECISION 63. Q.—Can Grand Master grant dispensation to Rebekah Lodge to hold special session for degree work?

A.—No. The special meeting must be called in accordance with Sec. 2 of Art. II of Rebekah Lodge Constitution.

DECISION 64. *Statement*—An application for membership in a Rebekah Lodge is regularly received, referred, and favorably reported upon. It regularly comes up for action and a ballot is properly taken. Two black balls appear, but the Vice Grand and the Noble Grand both declare the ballot to be unfavorable through a misapprehension of the law. They both at same meeting subsequently openly announce their error and both declare the ballot to have been favorable. Motion is then regularly made, seconded, and carried to declare the ballot void and to proceed to a new ballot. A new ballot is had when three or more black balls appear. The ballot is declared to be unfavorable.

Q.—Is the applicant elected or rejected?

A.—The applicant was properly first elected. But the Lodge at the same meeting had the right to annul the election and declare it void by a two-thirds vote of the members present. After which a new ballot would then be in order and if three or more black balls then appeared the applicant would be rejected. If the intermediate motion was carried by a *two-thirds* vote of all members present, the applicant is properly rejected. If, however, the motion lacked two-thirds of all present, then the applicant's election on the first ballot stands as favorable, and the second ballot was illegal and unlawful and would not prevail, and the applicant is elected. It all depends whether or not two-thirds of all present voted “yes” on the motion. If a count was not had and the record does not show that two-thirds voted in favor of the motion, then the applicant is elected on the original ballot, and the second ballot was unlawful and void. You will find all this procedure outlined fully in Sec. 9 of Article VI of the Rebekah Lodge Constitution, to which I refer as the authority for this decision.

DECISION 65. Q.—A resident of Westerly, R. I., whose residence is nearer the Lodge room of Hope Rebekah Lodge, in Westerly, than to that of Mystic Rebekah Lodge, in Mystic, Conn., desires to join latter Lodge, which requests release of jurisdiction be procured by Connecticut Grand Master from Rhode Island Grand Master. Is it a proper request to make?

A.—No. There is no authority in our Order for anyone to grant any release in a case like this.

DECISION 66. *Q.* Five residents of one city which has no Rebekah Lodge wish to join a Rebekah Lodge in adjoining city, to then take withdrawal cards and apply for charter for new Lodge. Can they be elected at a special meeting upon mere motion without application or ballot?

A.—No. They must sign regular application and present it at regular meeting. It must be recorded and laid over to next regular meeting and referred to Committee of Investigation and balloted upon at next regular meeting after report of committee. In other words, such applications must take the regular, usual course without any exception or preference, the same as any ordinary applications.

DECISION 67. *Q.*—A resident of northern Massachusetts comes to town in this State to work. Intends to move his family here later. Has lived here three months. Wishes to join Lodge here, but Lodge By-Laws require a six months' residence. Can a release be secured from Massachusetts, or is there any way he can now join here?

A.—It is not a case for a release of jurisdiction, as his family lives nearer a Massachusetts Lodge than to a Connecticut Lodge. He could join the Massachusetts Lodge as still a resident there, and then join here on a Transfer Certificate.

DECISION 68. *Q.*—Can candidates for degrees be balloted upon collectively?

A.—No. Each candidate separately.

DECISION 69. *Q.*—Can the three degrees for one candidate be balloted upon collectively?

A.—Yes, in Connecticut.

DECISION 70. *Q.*—An aged brother and his wife are destitute in a town where they live, which is not the town of his Lodge, but that of another Lodge. They need help at once or the town will have to assist them. His own Lodge in another town has been appealed to unsuccessfully by the local Lodge, which has been assisting without any reimbursement for some time back. Can his own Lodge be forced to assist when the brother is not sick, only feeble from old age, and in destitute financial circumstances.

A.—No. Assistance can not be required, but should be tendered. It is a good spot for weekly donations; or, better still, the Lodge should place them both in the Odd Fellows Home.

DECISION 71. *Q.*—In the Rebekah degree work must the candidate's position be in the center of the room when taking the obligation from the Vice Grand or may the position optionally be just directly in front of Vice Grand's chair?

A.—The position of the candidate must be in the center of the room.

DECISION 72. *Q.*—Is it permissible for a Lodge to do their work in a Lodge room on the ground floor?

A.—It should only be permitted to a new Lodge as a temporary expedient, if at all, and the Lodge should move to the second story as soon as possible. The Grand Sire in Decision 3 on page 14 of the Journal of 1913 stated that Grand Masters seldom permitted it, and that decision was approved by the Sovereign Grand Lodge and adopted.

DECISION 73. *Q.*—The facts in Question 70 above seem now to show that the brother has a grown-up son, strong and able, and continuously employed at good wages, and having no children of his own, who is willing to provide for his parents. Is it necessary for help to be expended by the Lodge from its trust funds in its treasury?

A.—No.

DECISION 74. *Q.*—Can a Lodge be granted a dispensation by the Grand Master to hold a special meeting to ballot upon candidates and confer initiatory degree?

A.—No. Candidates can never be balloted upon at a special meeting. Applications must be laid over from one regular meeting to next regular before being balloted upon. Degrees may be conferred at a special meeting without a dispensation.

DECISION 75. *Q.*—A Lodge is under the order of business of balloting upon applicants. Should waiting members in anteroom be admitted?

A.—Yes, between the closing and before the opening of the ballot box, but not during the time when the ballot box is open.

DECISION 76. *Q.*—Ritualistic degree work is in progress with a substitute officer duly robed and qualified in Rebekah Acting Past Noble Grand's chair. Should she be allowed by Noble Grand to leave Lodge room and go to preparatory room to allow the real Acting Past Noble Grand, who has just arrived, to don the robes of office and deliver the charge?

A.—No. The substitute should remain in office and deliver the charge.

DECISION 77. *Q.*—A former member of a Lodge dropped from membership for N.P.D. fourteen years ago desires to rejoin and presents an application for initiation which is regularly referred to a committee. The committee reports on it favorably as an application for reinstatement; a ballot is had on it as an application for initiation and election for initiation announced. The minutes in error read that the applicant was reinstated. Objection is made to his receiving the initiatory degree. Proposition fee accompanied the application, but not any reinstatement fees. Is he reinstated or elected for initiation as a new member?

A.—He should be initiated as a new member and charged accordingly. The minutes and the committee's endorsement should be corrected by vote of the Lodge to agree with the facts.

DECISION 78. *Q.*—Is it necessary for a brother member of a Rebekah Lodge to work his way in both the outer and inner doors the same as a sister?

A.—Yes, of course.

DECISION 79. *Statement.*—A member of a Subordinate Lodge deserts his wife and leaves town. The brother was, and is, in good standing. The wife has applied to his Lodge for assistance. The matter is in the hands of the Relief Committee.

Q.—Is it a proper case for relief to be extended from the trust funds of the Subordinate Lodge?

A.—No. It would be improper for the Lodge to use its trust funds in this case to help or relieve this wife. She is not a member of the Order and has no connection with it, except through her husband. He is the one that should support her; and the State laws will compel him to do so, if necessary. The Lodge has no contractual obligations with her except to pay her a funeral benefit upon his death. It would make no difference whether the brother left her without any just cause, as the Lodge cannot interfere in the relations between husband and wife. If she were the *widow* of a *deceased* Odd Fellow the case would take a different phase; but being the *wife* of a *living* Odd Fellow, she has no claim upon the Lodge, except through her husband, in case he should be sick or destitute.

The money in the treasury of a Lodge is stamped as trust funds, only to be used for the legitimate objects of the Order. These legitimate objects are summed up in the Tract on Odd Fellowship as follows: "The peculiar office of a Subordinate Lodge is to provide the means to meet the claims of its sick and distressed members, to care for them properly during their illness, to bury the dead, to succor the widow, and to educate the orphan."—Digest, Sec. 507.

THE USES OF OUR TRUST FUNDS.

There seems to be among some Lodges and some brothers a misconception of the uses to which the trust funds of our treasuries shall be put. The impression seems to be prevalent among some, that, after an Odd Fellow gets along in years, still maintaining his usual good health, and having grown-up children fully able to see that he or his wife do not suffer at all for any of the comforts or conveniences of life, that still his Lodge should support the aged brother and his wife, who are both in good health, from the trust funds in the treasury of the Lodge. Of course if such practices were largely carried on, they would render it impossible for a Lodge to fulfill its obligations to pay such sick

and funeral benefits as the Lodges contract with their members to pay in their By-Laws. Of course, it must be understood that if grown-up sons who are able to do so, are unwilling to support their aged and indigent parents that the State statute law steps in to compel them to do so, as is their duty. Lodges are only supposed to care for such aged members, who are indigent, as have not able and willing relations to assist them.

The matter came forcibly to my attention last month, when one Lodge in one section of the State was complaining to me because of the position taken by one of our Lodges in another section of the State. After an investigation by me, I came to the conclusion that there was no room for criticism of the last named Lodge, and I record herewith my answer to the complaining Lodge sent by me through my District Deputy Grand Master, which matter I ask be referred to the Committee on Legislation for the correction of any errors therein. The letter was as follows:

GRAND LODGE, I. O. O. F., OF CONNECTICUT.

OFFICE OF GRAND MASTER.

BRIDGEPORT, CONN., April 1, 1915.

Mr. ———, D.D.G.M., I. O. O. F.,
———, Connecticut.

DEAR BROTHER:—Enclosed herewith I am returning to you letter of ——— Lodge to ——— Lodge, and letter of ——— Lodge to me through you which bears your endorsement of approval upon the back thereof, and which letter I suppose was written by ———, Secretary of ——— Lodge, although the letter does not bear any signature thereon, concerning the case of Brother ———, of ——— Lodge.

I gave the matter my prompt attention and made some personal investigations. I find that Brother ———, a member of ——— Lodge, lives at ——— with his wife. I find that he and his wife are not at present sick. His daughter, a widow, lives at ——— with her son, ———, our brother's grandson, who is nineteen or twenty years of age, and works in a factory in ———. Our brother has living in ——— a son of perhaps forty-five years of age who has no children, and who has recently, within a year or two, been married.

It seems to be far from a case of destitute circumstances. If the aged brother and his wife are unable to provide for themselves, their grown-up children, who have no families of their own to provide for, ought to provide for them. In fact, that is the plain statute law of the State that children should be made to support their indigent parents. I am unable to find that they are in any need which their children cannot supply. It does not appear at all to be a case where the town would have to help the aged couple, as the selectmen of any town would first, before doing that, evoke the law and force the children to care for their own parents.

It strikes me that it is peculiarly a case that —— Lodge should have the right to handle themselves, as one of pure charity. There certainly is no contractual obligation in the Laws of our Order requiring —— Lodge to extend help in this case, if they do not voluntarily wish to do so as a donation. I have interviewed the son here, and he expresses himself as perfectly able and willing to care for his parents. The son says that his father never authorized any appeal to be made in his name to —— Lodge, and I think that this is the truth.

The letter of —— Lodge to —— Lodge, under date of January 8, 1915, states that it has just paid out \$600 for death benefits and about \$400 for sick benefits, and that they must have an "eye out" for their treasury to endeavor to keep it in a condition to fulfil contractual obligations of the Lodge before scattering it too needlessly for uncalled-for charity, and I cannot myself see anything in that letter to criticize; and it seems to me that it was a courteous response to the letter from —— Lodge to —— Lodge. —— Lodge, just about that time, sent a ten-dollar donation to Brother ——.

I have talked the situation over with a committee from —— Lodge, who courteously called upon me at my request. I do not see that there is any further official action by me needed at this time. There is, of course, such a thing as a Lodge doing wrongly in extending too freely and too generously needless charity at the expense of its treasury, putting the Lodge in a position where it will be unable to fulfill its agreement with its members as to the payment of sick and funeral benefits. It may be that Brother ——, or the members of —— Lodge, have a wrong notion as to the uses of a treasury of an Odd Fellows Lodge.

With kindest regards and best wishes to yourself and to the good members of —— Lodge, I beg to remain,

Very sincerely and fraternally yours, in F., L. and T.,

HENRY C. STEVENSON,

Grand Master.

SOME ILLEGAL PRACTICES.

Through some disagreements that arose, it was brought to my attention that there were some illegal practices being carried on under the cloak of our Order. This I corrected in meetings with committees and in official letters and in printed circulars, and I am pleased to say that I have received assurances now from different parts of the State that all such unlawful procedure has been eliminated and done away with. The following letter containing statement and questions from me to the Grand Sire, and his decisions and rulings thereon addressed to me under date of February 5, 1915, are published for the information and guidance of all, as follows:

GRAND LODGE, I. O. O. F., OF CONNECTICUT.

OFFICE OF GRAND MASTER.

BRIDGEPORT, CONN., January 25, 1915.

Honorable Robert T. Daniel,

*Grand Sire, I. O. O. F., of the World,
Griffin, Georgia.*

MY DEAR JUDGE DANIEL:—The Rebekah Past Noble Grands of this

Jurisdiction have a practice of forming into associations in different sections of the State inter-related with each other by a common password, etc., which practices they brought here from Massachusetts, where they have been indulged in for some time back. I have ordered all such practices discontinued in this State, and the sisters seem much incensed to think they cannot do in Connecticut what is, and has been, done for many years openly in Massachusetts by the sisters there.

Would you be so kind as to make decisions or rulings on answers to the following questions which I propound to you:

Statement.—The Rebekah Past Noble Grands of Connecticut have, in different cities and sections of Connecticut, associations composed of Rebekah Past Noble Grands, which they term "Past Noble Grands Associations," as "The Elm City Past Noble Grands Association," "The Katherine Past Noble Grands Association," etc. These associations are inter-related with each other by a common password which is changed each term and which is prescribed respectively in turn by each association. Said word covers all such associations in the State. Said associations also have a secret sign and a degree or initiation of new members and an installation ceremony for the induction of their officers into office. They adopt official pins or emblems to wear which designate their membership in such associations. They restrict their membership to Past Noble Grands of the Rebekah branch of the I. O. O. F.; and they only take in such Past Noble Grands as they desire to associate with—debaring the others by the use of the ballot box and the black ball, so that while Past Noble Grands, only, are eligible, still even those that are eligible have to successfully encounter a vote of the members before they can join. And such associations have other secret work.

Questions.—Have such associations any legal right—

- (1) To use the name "Past Noble Grands Association" or the letters, "I. O. O. F.," either;
- (2) To use a secret password;
- (3) To have an initiation ceremony or degree;
- (4) To have on officers' installation ceremony;
- (5) To restrict their membership to Rebekah Past Noble Grands;
- (6) To employ or use a ballot box or a vote upon the applications of Past Noble Grands who desire to join and to blackball or refuse admission to such as they do not desire, although qualified by rank;
- (7) To use an official pin or emblem which the members wear to designate their membership in such association and which contains the letters or initials "P.N.G.," etc.;
- (8) To employ or use any secret practices whatsoever of whatever kind.

Awaiting the kindness of your answers to the above eight numbered questions, and thanking you in advance for your goodness in rendering such eight decisions for my official guidance, I beg to remain, with the very greatest respect,

Yours, very fraternally, in F., L. & T.,

HENRY C. STEVENSON,
Grand Master, I. O. O. F., of Connecticut.

SOVEREIGN GRAND LODGE OF THE I. O. O. F.

OFFICE OF THE GRAND SIRE.

GRIFFIN, GA., February 5, 1915.

*Mr. Henry C. Stevenson, Grand Master,
Bridgeport, Conn.*

MY DEAR BROTHER STEVENSON:—Your letter submitting a statement of fact in regard to the Rebekah Past Noble Grands Associations, and asking for a decision on the same, received. Attached to this letter you will find my decision on the question.

With fraternal goods wishes, I am sincerely yours,

ROBERT T. DANIEL,
Grand Sire.

FROM THE GRAND MASTER OF CONNECTICUT, HENRY C. STEVENSON.

Statement.—The Rebekah Past Noble Grands of Connecticut have, in different cities and sections of Connecticut, associations composed of Rebekah Past Noble Grands, which they term, "Past Noble Grands Associations," as "The Elm City Past Noble Grands Association," "The Katherine Past Noble Grands Association," etc. These associations are inter-related with each other by a common password which is changed each term and which is prescribed respectively in turn by each association. Said word covers all such associations in the State. Said associations also have a secret sign and a degree or initiation of new members and an installation ceremony for the induction of their officers into office. They adopt official pins or emblems to wear which designate their membership in such associations. They restrict their membership to Past Noble Grands of the Rebekah branch of the I. O. O. F., and they only take in such Past Noble Grands of the Rebekah branch as they desire to associate with, debarring the others by use of the ballot box and the black ball, so that while Past Noble Grands, only, are eligible, still even those that are eligible have to successfully encounter a vote of the members before they can join. And such associations have other secret work.

Question.—Have such associations any legal right—

(1) To use the name "Past Noble Grands Association," or the letters, "I. O. O. F.," either?

Answer.—As above constituted, no. Past Noble Grands can organize an association for social purposes, membership in which must be open to all Past Noble Grands.

(2) To use a secret password?

Answer.—No.

(3) To have an initiation ceremony or degree?

Answer.—No. These can only be provided by the Sovereign Grand Lodge.

(4) To have an official installation ceremony?

Answer.—No.

(5) To restrict their membership to Rebekah Past Noble Grands?

Answer.—As constituted the organization is illegal, and cannot be

recognized by the Order. The restricting of membership to members of the Order makes it illegal, as it is an effort to organize a side degree, which cannot be done except by the S. G. L.

(6) To employ or use a ballot box or a vote upon the applications of Past Noble Grands who desire to join, and to blackball, or refuse admission, to such as they do not desire, although qualified by rank?

Answer.—As the organization is illegal, this law or rule is illegal.

(7) To use an official pin or emblem which the members wear to designate their membership in such association, and which contains the letters or initials, "P.N.G.," etc.?

Answer.—The only pin or emblem recognized by the Order are those prepared and sold, or authorized to be sold, by the S. G. L.

(8) To employ or use any secret practices whatsoever of whatever kind?

Answer.—The associations as constituted are illegal, and their acts and practices are illegal.

ROBERT T. DANIEL.

Grand Sire.

OFFICIAL PROCLAMATIONS AND CIRCULAR LETTERS.

The correspondence of the office of Grand Master is quite large and requires considerable time, but I have endeavored at all times to be prompt and punctual in answering and attending to letters sent to me as Grand Master, so that no delay can be laid at my door in any instance. A great fault is with the inquiring brothers and Lodges, who, in the majority of instances, wait until the last minute before writing to the Grand Master for information and then want the answer before it is even possible in the course of the swiftest mail to bring it to them.

The following official proclamations and circular letters have been issued by me during the course of the year, and I ask that they be referred to the Committee on Legislation in order that so much of my

instructions and interpretations of the Laws as are correct may be approved, and such therein as is incorrect may be explained and amended for the information of our brotherhood:

No. 1—1914 MEMORIAL DAY PROCLAMATION.

GRAND LODGE, I. O. O. F., OF CONNECTICUT.

OFFICE OF THE GRAND MASTER.

BRIDGEPORT, CONN.

To the Members of the Subordinate and Rebekah Lodges, I. O. O. F., of the Jurisdiction of Connecticut, GREETING:

In accordance with the proclamation of C. A. Keller, Grand Sire, Tuesday, June 9th, has been selected as a day for appropriate services in memory of our departed brothers and sisters; and I hereby request all Subordinate and Rebekah Lodges in this Jurisdiction to set apart a day nearest June 9th, most convenient, to be appropriately observed with suitable memorial recognition, as a tribute of respect to the memory of the departed brothers and sisters.

If we live up to the noble principles of our beloved Order, we will make, all of us, good citizens, good fathers and mothers, good parents and children, good husbands and wives, as well as good neighbors and good towns-people.

It would seem to be a fitting time, at the time of our annual memorial exercises and decoration of the graves of our deceased members, that we should examine ourselves separately, each for himself, and see if we are living up thoroughly on a par with the tenets of our Order;—that we should meditate upon our faults of the past, and make a firm resolve to make a true endeavor to strive to better our future conduct, with a steadfast resolution to increase in grace as our life is lengthened and as we approach that time whence we must appear before the Grand Master of the Universe, with our true character there revealed to its uttermost, and answer then for our derelictions. The virtues of a true life, and high and noble character, cannot be too highly commended or too eagerly sought for.

As we contemplate the virtues of those of our good members who have gone, and who, in their short lives here, exemplified the true godly spirit, and the true fraternal spirit, let us strive to so live our lives as Odd Fellows, that the world may see, and understand more, the sublime practices and worth of our beloved Order, so that all good and worthy citizens may be found knocking at our door for admission. Our attentions to our dead, and the decorations of their graves, will further show that we hold in loving remembrance those of our members who have gone and who led good lives; and cannot fail to invoke favorable comment from the outside world, thereby benefiting our great and broad Odd Fellowship. I pray God to bless all the brothers and sisters of Connecticut.

Done at the City of Bridgeport, Connecticut, this 23rd day of May, A.D. 1914, and of our Order the Ninety-fifth year.

HENRY C. STEVENSON.

Grand Master.

NO. 2—JUNE INSTRUCTIONS TO SUBORDINATE DEPUTIES.

GRAND LODGE, I. O. O. F., OF CONNECTICUT.

OFFICE OF THE GRAND MASTER.

BRIDGEPORT, CONN., June 11, 1914.

Brother....., D.D.G.M., District No....., I. O. O. F.

DEAR SIR AND BROTHER:—Below you will find the passwords for the ensuing term embodied in the usual code. After communicating these words to the proper officials, you will return this copy to this office without fail.

You will instruct the Noble Grand of each Lodge that he is responsible for the Rituals, and that they must be in the Lodge room every meeting night. You will impress upon him that he must not allow any of them out of his possession without his making a record of the name of the brother taking it and the time given out.

See to it that the Lodges in your District are conducted every session in a dignified manner, and that due respect is shown at all times to the Noble Grand as the presiding officer of the Lodge, and that the gavel, as the emblem of authority, is always obeyed promptly. Members on addressing the Noble Grand, either to make motions or otherwise, should always respectfully arise in their place before addressing the Noble Grand.

The Order in the Jurisdiction of Connecticut is in splendid condition and made a very distinct and highly satisfactory gain in membership during the past Grand Lodge year. Of course, we do not want quantity in members at the expense of quality: we want only such new members as will make good Odd Fellows in spirit and in truth. There is plenty of good material from which to mold many new Odd Fellows within the jurisdiction of every Subordinate Lodge in Connecticut, if the members will only do their friends and neighbors and fellow-townsmen the favor to bring to their attention the merits and worth of Odd Fellowship.

I was much gratified last week at the meeting of the District Deputy Grand Masters at New Haven at the large attendance of the District Deputies, as well as their earnest attention to the business of the session. I feel that much good resulted from the meeting.

Strive to promote harmony and good feeling among the Lodges and members. Endeavor to smooth out, so far as is possible, all little frictions and contentions, and in this way "nip in the bud" matters which might, otherwise, grow in size and prove troublesome to the Grand Master and the Grand Lodge, and detrimental to the best interests of our worthy fraternity.

I look to you personally for results along the lines of both harmony and growth within your District, and expect that the outcome of the year's work in your District will be satisfying and gratifying, and with many thanks to you in advance for what I well know will be conscientious and well-directed efforts for the coming year, I beg to remain, with very best wishes,

Very fraternally yours, in F., L. and T.,

HENRY C. STEVENSON,

Grand Master.

NO. 3—JUNE INSTRUCTIONS TO REBEKAH DEPUTIES.
GRAND LODGE, I. O. O. F., OF CONNECTICUT.

OFFICE OF THE GRAND MASTER.

BRIDGEPORT, CONN., June 11, 1914.

Sister....., D.D.G.M., Rebekah District No....., I. O. O. F.

DEAR SISTER:—Below you will find the passwords for the ensuing term embodied in the usual code. After communicating these words to the proper officials, you will please return this copy to this office without fail.

Instruct the Noble Grand that it is her duty to have all Rituals in the Lodge room at all meetings, and inform her that she will be held responsible for the Rituals, and that she must not allow them to go out of her possession without first making a record of the name of the member taking them and the date given out.

Both the attendance and the attention of the District Deputy Grand Masters at the session at New Haven last week were very gratifying to me. They showed an earnest interest in the work of the Order. I believe that the meeting was productive of much good, and feel that the Order in Connecticut ought to feel proud of, and gratified at, the splendid band of District Deputy Grand Masters who have in charge the Rebekah Degree Lodges for the ensuing Grand Lodge year. The year cannot but help under such auspices to prove a meritorious one, both in growth and in harmony. The more members that you can get to attend meetings and take active part in the work does so much more to make the grand work of the Rebekah Degree prosper. I fully expect to hear great results from your District during the coming term.

In advance I herewith wish to extend to you my thanks and appreciation for your services as a representative of your Grand Master and of the Grand Lodge, and as the official immediately in charge of the Rebekah Lodges in your District. Strive to smooth over any little frictions or lack of harmony that may exist, and endeavor to remedy in their incipency and infancy any little trouble that may be started up. Try to overcome, so far as possible, any cliques or factions in the Lodges in your District, so that they may all operate strongly together for the best interests of the best fraternity in the whole world, the Independent Order of Odd Fellows.

With very best wishes for a most prosperous year for the Rebekah Lodges in your District, I beg to remain,

Very fraternally yours, in F., L. and T.,

HENRY C. STEVENSON,
Grand Master.

NO. 4—NEUTRALITY CONCERNING WAR, AND OUR MEMBERSHIP.
GRAND LODGE, I. O. O. F., OF CONNECTICUT.

OFFICE OF THE GRAND MASTER.

BRIDGEPORT, CONN., September 14, 1914.

*To the Noble Grand, Officers and Members of.....Lodge, No....,
I. O. O. F., of Connecticut.*

MY DEAR BROTHERS:—In these critical world-trying times, during

which it almost seems at times that civilization is going backward instead of forward, I believe that the principles taught by Odd Fellowship are destined to play an important part in the coming events of the next few years. As it is darkest before the dawn, and roughest before the calm, and most contentious before peace, so it may be that the world is nearer than we now imagine or can conceive toward that period of time and advancement in world affairs to which all good Odd Fellows of our Independent Order look forward and teach—when one law shall bind all nations and peoples, and that one law shall be “The Law of Universal Brotherhood.”

In this strenuous period through which the world is passing, at a time such as this, a good, obedient, law-abiding citizen reaches his highest value to the community in which he lives. Every good Odd Fellow is a good citizen in his community. The President of the United States, Woodrow Wilson, is a patriotic American and a good safe counselor to his people in these troublesome times abroad. He has asked us in a proclamation issued from Washington to adopt a strictly neutral course and to observe all the laws of neutrality as laid down by the best teachings. He pleads with us to refrain from arguing the great European conflict and from taking sides therein: such a course being best conducive to the safe, independently friendly attitude of this great country of ours toward all the belligerents or warring peoples. Let us wisely follow the just admonitions of our Chief Magistrate and let us strive to curb our tongues from saying bitter things concerning any of the nations or peoples now at war upon the continent of Europe or elsewhere. Good Odd Fellows will be among the first and foremost to obey the instructions of our peace-loving President.

Let not the walls of an Odd Fellows' Lodge harbor any bickerings or contentions concerning the aims, objects, or operations of the warring nations who are all upon terms of friendship with our own country. Let Odd Fellows show that they respect the neutral position of our country and the eminent stand of our President for an unbiased and impartial course. Let us blow as loud as we can the horn of our own country and encourage, so far as we are able, our business and enterprises, not going out of our way to harm by criticism or abuse any of the citizens or races of other countries or nations. Remember, that Odd Fellowship is large and broad and extensive, with Lodges and members in many foreign climes, all working under the jurisdiction of the Sovereign Grand Lodge. We have in our own Connecticut Lodges the representatives of many nations and creeds. Let us bridle our tongues and not offend.

In times of depression and business slackness are especially the periods, for their own welfare and that of their families, when our members should make a special, strenuous effort to keep up their dues and remain in good standing so that if sickness or accident unfortunately befall them, they may not find themselves out of benefits as well as out of work because they are not in good standing, being in arrears for dues. So that I sincerely counsel my brothers to make every effort to keep themselves in good standing upon the books of their Lodge, so that if the day of sickness or disability comes to them, it will not be necessary for their Lodge to say them “Nay” because of their arrearages for dues. The greatest loss that our membership sustains is from suspensions for non-payment of dues, but in addition to those actually suspended because of their being so far in arrears, there are unfortunately many, many brothers who, while not so far in arrears as to be suspended, are still continually just far enough in arrears as to be non-beneficial, which is an injustice to their families. Let us not only strive to keep our own dues up, but endeavor to get our fellow-members to

do likewise, and thus let us all keep beneficial during this important period.

We have over 24,000 members in Connecticut to-day, having made a good net gain in membership of 460 for the first half of the year. Our gain in assets for that period was over \$13,000, making our total assets to-day over \$922,000. We relieved during that period over 1,500 brothers to whom we paid about 13,000 weeks' benefits in Connecticut alone. Let us urge the value of membership in our Order and of the benefit to be derived from an inculcation of our teachings upon fellow-citizens in our community of good moral character who would be an addition to our Order and who would be found knocking at our door, and knocking loudly, if they only knew of the great merits of this noble fraternity of ours, now the largest and best fraternal organization in the world. Let us all do our part to spread our teachings and our benefits upon more of the human race who are now in darkness as to our benefits and teachings.

With very best wishes for the success of your Lodge and its members in all the good things of life, believe me,

Yours very fraternally in F., L. and T.,

HENRY C. STEVENSON,
Grand Master.

NO. 5—THE GRAND SIRE'S COMING VISIT TO CONNECTICUT.

GRAND LODGE, I. O. O. F., OF CONNECTICUT.

OFFICE OF THE GRAND MASTER.

BRIDGEPORT, CONN.

To the Members of the Subordinate and Rebekah Lodges, I. O. O. F., of the Jurisdiction of Connecticut, GREETING:

The enclosed appended Proclamation of the Grand Sire of the Sovereign Grand Lodge of the Independent Order of Odd Fellows is hereby published to the Subordinate and Rebekah Lodges of Connecticut, and the members thereof, for their information, instruction, and guidance.

The new Grand Sire, Honorable Robert T. Daniel, who will be the supreme head of our Order for the world for the coming two years, is a resident and citizen of the State of Georgia. He is a Judge of the Circuit Court of the State of Georgia. Judge Daniel is a typical Southern gentleman of the highest character, ability, and worth, and will make an exceedingly able Grand Sire. His two years' administration as the eminent commander of our great Order is bound to reflect great credit upon the Order and bring upon his honored head added laurels for good, conscientious work and services performed. As a member of the Sovereign Grand Lodge, he has served the Order actively, faithfully, and honorably for many years. He solicits co-operative service from the membership, which I bespeak for him, and which I know he will secure without stint from the brothers and sisters of Connecticut. If he gets such co-operation, he rightly says: "These two years will be memorable ones in the history of the Order." This I prophesy will surely prove to be the fact, when the time arrives to take our inventory two years hence.

I wish to remind the membership in Connecticut of the invitation

which was extended to Judge Daniel, our Grand Sire, by the Grand Lodge of Connecticut, last May, to be our guest at the next Grand Lodge Session in Connecticut, which will be held at Bridgeport, next May. I am extremely delighted to be able to inform the brothers and sisters of this State that we have been honored by Judge Daniel by an acceptance of that invitation, and he has already made arrangements to attend at our next Grand Lodge Session at Bridgeport, and to address our sisters and brothers. Judge Daniel's eloquence and ability as a speaker are well known throughout the South, and also to past and present members of the Sovereign Grand Lodge. His address will be a treat for our members to listen to.

The spurious Rituals to which the Grand Sire refers in this Proclamation have been offered for sale throughout Connecticut through circulars; such circulars have at once been destroyed by all our Lodges. Our members are too loyal to the Order to aid in any way such vile practices, as they know that to buy and to have in their possession one of these illegal and false books is a violation of the obligations taken by them when they entered this Order: the penalty for which is expulsion from the Order.

Heed what our Grand Sire says about saving worthy brothers from suspension for non-payment of dues by helping needy brothers to find a way in which to meet their obligations to the Lodge without having to be suspended for such financial derelictions.

Our Lodges in Connecticut are doing splendid degree work and initiating worthy candidates into our Order in all parts of Connecticut. Let the good work go on! There are many, many persons in this State who would make good members of the best kind who have not, as yet, been solicited to affiliate themselves with our great Order. Benefit the Order, yourself, and them by seeking them out and acquainting them with the merits of our great institution.

Done at the City of Bridgeport, Connecticut, this Fifth day of December in the year of our Lord Nineteen Hundred and Fourteen, and the year of our Order the Ninety-sixth.

HENRY C. STEVENSON,

Grand Master.

THE SOVEREIGN GRAND LODGE OF THE INDEPENDENT ORDER OF ODD FELLOWS.

PROCLAMATION BY THE GRAND SIRE.

To the Members of the Independent Order of Odd Fellows, GREETINGS:

The position of Grand Sire is the highest fraternal honor in the gift of a sovereign people. The recipient of this honor can only requite the Order for this gift by an active, faithful, conscientious *service to the Order*.

It shall be my purpose to render to the Independent Order of Odd Fellows during the next two years the very best service in my power, and if I can have the same kind of co-operation from the membership, these two years will be memorable ones in the history of the Order.

I request of the membership a reconsecration of themselves to the principles of the Order, to the end that we will all be loyal to its every tenet, submissive to all lawful authority, faithful in the discharge of every duty, active in every effort to a larger growth and a broader expansion of its influence.

SPURIOUS RITUALS.

It has come to my attention that there is being offered for sale a spurious Ritual of the Order. Every few years this same effort is made to impose such a book upon our membership. I desire to remind the membership that it is a violation of the laws of the Order for a member to buy or have in his possession one of these books, and the penalty is expulsion from the Order. If our members would refuse to buy this book, there would be no market for its sale, and all effort to sell it would soon cease. I call upon the membership to give no encouragement to the effort to sell this book. Cease to notice the advertisement, refuse to buy the book, decline to discuss it in any way, and soon we will hear no more of it.

"NO SUSPENSIONS FOR 1914."

I desire to direct the attention of the membership to a specific work for the remainder of the year, and that is an effort to decrease as much as possible suspensions for non-payment of dues. If a worthy brother is in arrears for dues, every effort should be made to prevent his suspension. It is the sacred duty of a Lodge to save every worthy brother from suspension. If he has not the money to pay his dues, he needs help. He needs the attention of the brotherhood, and he should receive it, and our help cannot be better extended than by seeing that he does not pass out from under the protection of the Order. A Lodge cannot relieve a brother from the payment of his dues, but there are many ways that an individual member can devise to place the brother in the way by which he can make the money to pay his dues.

Let every Lodge appoint a committee *right now* to look after the matter of collecting dues of the membership for this year. Do not leave this matter to the Secretary alone, but place it in the hands of a committee of live, active men, who will see that there is not a single suspension in your Lodge this year.

Let the motto of each Lodge be, "No Suspensions for 1914."

May this be a season of service, service to the Order, to the end that happiness and prosperity shall abundantly bless our entire membership.

Done in the city of Griffin, State of Georgia, this the 20th day of November, in the year of our Lord Nineteen Hundred and Fourteen, and of our Order the Ninety-sixth.

ROBERT T. DANIEL, *Grand Sire*.

GRAND LODGE, I. O. O. F., OF CONNECTICUT.

OFFICE OF THE GRAND MASTER.

BRIDGEPORT, CONN., December 15, 1915.

Brother....., D.D.G.M., District No....., I. O. O. F.

DEAR SIR AND BROTHER:—Again the time for the installation of officers is near at hand. Below you will find the passwords for the ensuing

term embodied in the usual code. After communicating these words to the proper officers, you will return this copy to this office without fail.

Please instruct the Noble Grand of each Lodge that he is responsible for the Rituals, and that they must be in the Lodge room every meeting night. You will impress upon him that he must not allow any of them out of his possession without his making a record of the name of the brother taking the Ritual and the time it was given out. At the time of installation, you will examine the Rituals in each Lodge and verify the registered numbers; and if any are missing, you will postpone the installation and communicate the fact to me immediately. The Noble Grand must cause the Warden to collect and deliver to him all Rituals each meeting night and cause the Secretary to make a record of the number of Rituals so delivered. The law requires that a fine be imposed upon each Lodge for each Ritual lost.

Before communicating the passwords, you will have the Noble Grand sign the receipts sent to you by the Grand Secretary. Please make it plain to each Lodge in your District the importance of conducting their business in a dignified and systematic manner with a full and complete record made upon the books of the Lodge of all transactions. Specially is it important when Amendments to By-Laws of a Lodge are proposed that they be entered in full upon the minutes of the meeting when first proposed, and that at the next subsequent meeting to which they are laid over for action that they either again be re-entered in full or a proper and concise reference to the minutes of the preceding meeting be entered and a full account of the action of the Lodge upon the Amendments should appear in the minutes. You will instruct the Lodges that of course no Amendments to By-Laws are operative or in force until after they have received the approval of the Committee on Legislation of the Grand Lodge, to which Committee they will be promptly forwarded through the hands of the Grand Secretary at New Haven in duplicate copies under seal of the Lodge.

I am glad to report to you that harmony and good feeling prevails among all the Lodges and members in Connecticut, and I am happy to say that there is not a single appeal pending from the actions of the Lodges or their members, which speaks well for the fraternity in this Jurisdiction.

I am enclosing a circular letter which I have just issued to the members of the Jurisdiction of Connecticut, which speaks of the coming visit of the Grand Sire to our next Grand Lodge Session at Bridgeport, and of spurious Rituals and of suspensions for non-payment of dues. I ask you to make a study of that circular together with the appended Proclamation by the Grand Sire so as to speak of the points covered by it during your remarks at the time of the installation of officers of the Lodges in your District.

I take this occasion to thank you for your good work in your District and for the harmony that now prevails therein, and I fully expect that I shall receive during the coming term the same loyal support from you as you have already evidenced, and beg to remain, with very best wishes,

Very fraternally yours in F., L. and T.,

Grand Master.

OFFICE OF THE GRAND MASTER.

BRIDGEPORT, CONN., December 15, 1914.

Sister....., D.D.G.M., Rebekah District No....., I. O. O. F.

DEAR SISTER:—Again the time for the installation of officers is near at hand. Below you will find the passwords for the ensuing term embodied in the usual code. After communicating these words to the proper officers, you will return this copy to this office without fail.

Please instruct the Noble Grand of each Lodge that she is responsible for the Rituals, and that they must be in the Lodge room every meeting night. You will impress upon her that she must not allow any of them out of her possession without her making a record of the name of the sister taking the Ritual and the time it was given out. At the time of installation, you will examine the Rituals in each Lodge and verify the registered numbers; and if any are missing, you will postpone the installation and communicate the fact to me immediately. The Noble Grand must cause the Warden to collect and deliver to her all Rituals each meeting night and cause the Secretary to make a record of the number of Rituals so delivered. The law requires that a fine be imposed upon each Lodge for each Ritual lost.

Before communicating the passwords, you will have the Noble Grand sign the receipts sent to you by the Grand Secretary. Please make it plain to each Lodge in your District the importance of conducting their business in a dignified and systematic manner with a full and complete record made upon the books of the Lodge of all transactions. Specially is it important when Amendments to By-Laws of a Lodge are proposed that they be entered in full upon the minutes of the meeting when first proposed, and that at the next subsequent meeting to which they are laid over for action that they either again be re-entered in full or a proper and concise reference to the minutes of the preceding meeting be entered and a full account of the action of the Lodge upon the Amendments should appear in the minutes. You will instruct the Lodges that of course no Amendments to By-Laws are operative or in force until after they have received the approval of the Committee on Legislation of the Grand Lodge, to which Committee they will be promptly forwarded through the hands of the Grand Secretary at New Haven in duplicate copies under seal of the Lodge.

I am glad to report to you that harmony and good feeling prevails among all the Lodges and members in Connecticut, and I am happy to say that there is not a single appeal pending from the actions of the Lodges or their members, which speaks well for the fraternity in this Jurisdiction.

I am enclosing a circular letter which I have just issued to the members of the Jurisdiction of Connecticut which speaks of the coming visit of the Grand Sire to our next Grand Lodge Session at Bridgeport, and of spurious Rituals and of suspensions for non-payment of dues. I ask you to make a study of that circular together with the appended Proclamation by the Grand Sire so as to speak of the points covered by it during your remarks at the time of the installation of officers of the Lodges in your District.

It has come to my attention that there are in different parts of the State Rebekah Past Noble Grands Association which (undoubtedly

innocently and without any wrong intent) are violating the Laws of the Order in certain respects. I fear that some of them have a password and that they vote upon applications of Past Noble Grands for admission. The Sovereign Grand Lodge at its last session at Atlantic City in September ruled that it was unlawful for any such associations to have any initiation, or installation, or ceremonies, or secret work, or passwords, or ballot boxes, or votes upon the admission of qualified members, and that it was only proper for Rebekah Past Noble Grands to form such associations for social intercourse and the discussion of such matters as would have a tendency to build up the Order; but it was ruled that they could not use the name of a Lodge as the style for the organization. You will please ascertain if any such associations exist in your District, and if they are doing any of these prohibited acts—such as using a password or voting on applicants for admission, etc. You will instruct them of the error of their ways and prohibit their further use of such unlawful practices. Any Rebekah Past Noble Grand, by virtue of her rank, is entitled to affiliate herself with such an association without a vote upon its part.

I take this occasion to thank you for your good work in your District and for the harmony that now prevails therein, and I fully expect that I shall receive during the coming term the same loyal support from you as you have already evidenced, and beg to remain, with very best wishes,

Very fraternally yours in F., L. and T.,

HENRY C. STEVENSON,

Grand Master.

NO. 8—PROHIBITING VARIOUS UNLAWFUL PRACTICES.

GRAND LODGE, I. O. O. F., OF CONNECTICUT.

OFFICE OF THE GRAND MASTER.

BRIDGEPORT, CONN., February 17, 1915.

To the Members of the Subordinate and Rebekah Lodges, I. O. O. F., of the Jurisdiction of Connecticut, GREETING:—

It has come to my attention that there are in the Jurisdiction of Connecticut some organizations or associations wherein membership is based upon membership in our Order, and which organizations or associations do some or all of the following illegal, improper, and unlawful practices:—Use the name of the Order, or use a secret password, or have initiatory ceremony or degree, or have an officers' installation ceremony, or use or employ a ballot box upon applicants for membership, or use or employ any signs or any secret practices of whatsoever or whatever kind.

I am fully convinced that such actions and such practices are done innocently and without any intent to violate the laws of Odd Fellowship. I proclaim that all such actions, or practices, must cease at once, as they are prohibited by the Sovereign Grand Lodge and by all the laws of our Order.

It has been repeatedly held by the Sovereign Grand Lodge and by the Committee on Judiciary thereof, and in various proclamations of various Grand Sires, that any Odd Fellow who is a member of any such organization or association is (to use the exact words of the Sovereign Grand Lodge, and which are quoted here as follows) "quilty of conduct

unbecoming an Odd Fellow and a grave offence against Odd Fellowship, and upon conviction thereof shall be expelled."

Some of the laws and rulings and proclamations against such unlawful organizations or associations will be found in the Sovereign Grand Lodge Journals, as follows:

Laws of 1883,	page	9361.
" " 1906,	"	781.
" " 1908,	"	693.
" " 1909,	pages	17 and 338.
" " 1910,	"	481 and 806.
" " 1914,	"	542, 543, 548, 549, 731, 733, and 815.

I submitted the matter to the present Grand Sire, Judge Robert T. Daniel, on January 25th, requesting rulings from him, and under date of February 5, 1915, he rendered me a decision in which he finds all such practices to be illegal.

I am convinced that the membership in Connecticut, in both Subordinate and Rebekah Lodges, is entirely loyal, or means to be, to the laws of our great Order, and I feel sure that now that this Proclamation is published, calling attention to the laws on the subject, that all such illegal and unlawful practices will cease, and that hereafter Connecticut will not be found to be a violator in this respect.

Certain unprincipled publishers of spurious Rituals and Secret Work have recently become very active in sending out circulars, concerning our Order, to the Lodges and members in Connecticut, and are using the mails freely to carry on their nefarious business. I hereby admonish all members of the Order in Connecticut to refrain from purchasing or having in their possession any pamphlets or documents purporting to contain any part of the Rituals or Secret Work of Odd Fellowship, and from doing anything directly or indirectly to encourage such illegitimate and fraudulent publications.

The members are warned that the penalty, for having any unauthorized work purporting to be the written or unwritten work of the Order, is expulsion. If any such contemptible circulars are received through the mail by Lodges or members, I ask that they will immediately and at once burn or destroy them.

It is customary in some Lodges to hold a member in the ante-room who is ready and anxious to enter the Lodge room proper during the reading of the minutes or of reports of Committees or of other business. The law frowns upon delays in admitting members from the ante-room who seek admission into the Lodge room. It is thought by some Lodges or presiding officers that waiting members be kept in the ante-room until the pleasure of the presiding officer to admit them.

Of course this is all wrong, and is done through a misunderstanding of the laws of the Order. Waiting members, who are able to work their way in, should be admitted at once at any time during the Lodge session, after the opening and before the closing, excepting only during the time that ritualistic degree work is being conducted.

It is especially gratifying that during these world-trying times of wars and business depressions and financial panics, a great Order, like Odd Fellowship, should continue to advance in both assets and membership. During the past year of 1914 (the figures for which are just available), the Subordinate Lodges of this State made a total net gain in membership (after deducting for all members lost through death, or for suspensions for non-payment of dues, or for any cause), of over 500, or to be exact, the total net gain for the year 1914 was 516 new members. The total net gain in the Rebekah Lodges for the year 1914 was 629 new

members. Under existing conditions such gains are very satisfactory, and must be pleasing to the members at large as they are to the Grand Master.

The term of my administration of the office of Grand Master is now very rapidly drawing to a close. The pleasures of the office are numerous, but the accompanying burdens are oftentimes onerous. The mail and correspondence of a Grand Master is voluminous, and requests from Lodges for official visitations are many more than can be accepted. I have given to the administration of the duties of Grand Master the very best efforts of which I have been capable. I have been attentive and studious, and have given punctual and prompt response to all business as it arose, and I trust that good has resulted to our beloved Order from my conscientious and well-meant efforts.

I am glad to say that the Order in Connecticut is in a splendid condition as a whole, and that there is not at the present time even one single appeal pending of any grievance whatever, for presentation to the Grand Lodge in the month of May. I have endeavored to instill into all my official actions as Grand Master a brotherly and Golden Rule spirit. I expect a splendid meeting of the Grand Lodge to greet our honored Grand Sire, Judge Daniel, at Bridgeport, in the month of May.

Fraternally submitted in F., L. and T.,

HENRY C. STEVENSON,
Grand Master.

NO. 9—ANNIVERSARY PROCLAMATION AND HOME "DONATION DAY."

GRAND LODGE, I. O. O. F., OF CONNECTICUT.

OFFICE OF THE GRAND MASTER.

BRIDGEPORT, CONN., March 15, 1915.

ANNIVERSARY PROCLAMATION.

*To the Officers and Members of the Subordinate and Rebekah Lodges,
I. O. O. F., of the Jurisdiction of Connecticut, GREETING:*

In obedience to the Proclamation of our Grand Sire, Robert T. Daniel, of Griffin, Georgia, I, Henry C. Stevenson, Grand Master of Connecticut, do hereby issue this Proclamation and respectfully request each Lodge in this Jurisdiction to celebrate the Ninety-sixth Anniversary of our Order, with appropriate ceremonies on some date as near the Twenty-sixth day of April as may be most convenient. Let us assemble in our Lodge room in spirit of thanksgiving to Almighty God for the abundant gifts bestowed upon our Order and upon us as individuals.

On Monday, April 26, 1915, appropriate exercises will be observed at "Fairview," the I. O. O. F. Home at Groton, Connecticut, in commemoration of the Anniversary of our Order, and by custom in Connecticut, "Donation Day" for our Home—a Home of which we all feel justly proud, and which is indeed a Home for worthy, indigent members of our Order in Connecticut. The Grand Chaplain of the Grand Lodge of Connecticut, Rev. Charles H. Smith, invariably, very kindly arranges an interesting and superior order of exercises, religious, literary, and musical, when the donations to the Home are presented and duly accepted. Such donations are always liberal and a credit to the Subordinate and Rebekah Lodges of the State. It is hoped that representatives from each Subordinate and Rebekah Lodge in Connecticut

will join the Grand Officers and the residents of the Home at "Fairview" on that day in celebrating this Ninety-sixth Anniversary. I hope each Lodge will contribute something to the Home on or before April 26th, so that the donation may be included in the list on that day. All trains will stop at "Fairview" upon that day. Most of our members will leave New London for "Fairview" on the train leaving New London station at 1:30 P. M., which connects with trains from New Haven and the west and from other points.

The exercises will start at 2 o'clock.

Done at the City of Bridgeport, Connecticut, this Fifteenth day of March, Anno Domini, Nineteen Hundred and Fifteen, and the year of our Order, the Ninety-sixth.

Grand Master.

In accordance with usage and the resolution of the Sovereign Grand Lodge, I, Robert T. GRAND LODGE, I. O. O. F., OF CONNECTICUT.

OFFICE OF THE GRAND MASTER.

BRIDGEPORT, CONN.

MEMORIAL DAY PROCLAMATION.

*To the Members of Subordinate and Rebekah Lodges, I. O. O. F., of
the Jurisdiction of Connecticut, GREETING:*

In accordance with the Proclamation of Hon. Robert T. Daniel.

Grand Sire of the Independent Order of Odd Fellows, Tuesday, June 8, 1915, or some different day more convenient, and near thereto, has been selected as a day for appropriate services in memory of our departed brothers and sisters; and I hereby request all Subordinate and Rebekah Lodges in this Jurisdiction of Connecticut to set apart a day nearest June 8th, most convenient, to appropriately observe with suitable recognition as a tribute of respect to the memory of our departed brothers and sisters.

Let us contemplate the virtues of those of our good members who have gone and who, in their lives here, exemplified the true fraternal spirit and aided in some degree the approach of that time to which our hearts look forward with ardent joy, when one Law shall bind all nations, tongues, and kindred of the earth, and that Law shall be the "Law of Universal Brotherhood"; when no longer shall strife among nations, or states, or communities, or individual human beings exist, but when all shall be harmony and happiness. Let us all live our lives as Odd Fellows in such a way that the world may be better for our having existed.

Let us all endeavor to create, especially at this time, a vital sentiment in favor of peace between the warring nations across the sea; and let us pray for a cessation of the hostilities now ravaging Europe. Let each of us do what we can to start a wave that will grow and increase in power until it shall be of such force that it will quicken a universal sentiment in favor of peace. Complications may threaten to bring to our own doors the horrors of modern warfare; and let us use every means in our power to support and uphold and encourage every honorable effort that is or may be made, not only to preserve our own neutrality, but to end this bloody carnage.

One of the great shining lights of Odd Fellowship left us during the past year, when on July 19, 1914, Brother Leopold deLeeuw, of Hartford, Conn., Past Grand Master and Past Grand Representative, died at the age of fifty-four years. His meritorious work for this Order of ours which he loved so well, and his painstaking and valuable labors which he expended as President, and as Treasurer, and as Manager of our Odd Fellows Home in Connecticut, at Groton, will long remain in our memories as a fitting memorial and testimonial to that good brother now departed and now safely reposing with the Grand Master of the Universe on High.

I pray God to bless all the brothers and sisters of Connecticut.

Done at the City of Bridgeport, Connecticut, this 17th day of April, A.D. 1915, and of our beloved Order, the Ninety-sixth year.

Grand Master.

IN CONCLUSION.

In concluding this, my annual report, as Grand Master, I wish to extend my thanks to the Grand Secretary and to my District Deputy Grand Masters for services and courtesies extended, and also to the Lodges and membership at large in the State, for all the kindnesses which have been bestowed upon me during my year in office as Grand Master; all of which actions were, and are, deeply appreciated by me.

The year has been a success because of the work of the individual members of the Lodges, all of which has been deeply gratifying to the ambition to the Grand Master that the term should be a satisfactory

one. I have felt deeply the trust imposed in me by this Grand Lodge, confiding in my keeping the leadership of this Jurisdiction for the past twelve months, and I have endeavored in every way to live up to my obligations, and I have put forth my very best efforts to advance the work of our Order and to uphold the dignity and honor of my position.

I shall long remember with feelings of deep satisfaction my term as Grand Master, for which I feel deeply indebted to the good members of this Grand Lodge, and I sincerely hope that some good may have resulted from my well-meant efforts in your behalf. I could not wish better for my successor than that he should receive the same loyal support and aid from his District Deputy Grand Masters and the entire membership at large, as has been extended generously to me, and I bespeak for my successor such laudable support, with the wish that the coming year may prove a highly successful one for my successor and for this Jurisdiction.

With renewed thanks to you all, my friends, for your confidence and devotion, I beg to remain,

Yours, very fraternally, in F., L. and T.,

Henry C. Stevenson,
Grand Master.

FINES IMPOSED AND COLLECTED.

Under date of March 1, 1915, I received a letter from Henry C. Stevenson, Grand Master, imposing fines as follows:

Wooster Lodge, No. 37, I. O. O. F., for loss of Ritual No. 37 F, \$10.00.

Naugatuck Lodge, No. 63, I. O. O. F., for loss of Ritual No. 63 D, \$10.00.

Butler Lodge, No. 97, I. O. O. F., for loss of Ritual No. 97 D, \$10.00.

August 17, 1914, fine of \$5.00 was imposed on Niantic Lodge, No. 17, I. O. O. F., for failure to get report for June 30, 1914, to the office of the Grand Secretary by August 6, 1914, as provided in Article IX, Section 2, Constitution for Subordinate Lodges.

OUR WATCHWORD FOR APRIL 26, 1919.

While we are far short of the percentage in gain in membership for the year 1914 required to reach the goal set for 1919, we are not discouraged. We believe that much can be done in the four years before us, and if the members all work together, determined to succeed, the "30,000 Members April 26, 1919," will be surely attained.

CONCLUSION.

When we take into consideration all the conditions, a net gain in membership of 516 for the year 1914 is doing well, and should encourage us to still greater efforts for success the coming year. May we all seek to improve every opportunity that may come to us, to help make our Order stronger and better, that the time may soon come when the "Fatherhood of God and the brotherhood of man" may be recognized by all mankind.

I am deeply indebted to the Grand Master, Grand Officers, Secretaries of the Lodges, and the brothers and sisters of this Jurisdiction for many courtesies extended during the year, and for which I extend my hearty appreciation.

Fraternally submitted,

William S. Hutchison
Grand Secretary

GRAND REPRESENTATIVES' REPORT

BRIDGEPORT, CONN., MAY 19, 1915.

To Henry C. Stevenson, Grand Master, I. O. O. F., of Connecticut.

DEAR SIR AND BROTHER:—The Representatives from the Grand Lodge of Connecticut to the Sovereign Grand Lodge respectfully submit their report of the proceedings of the ninetieth annual communication of that body held at Atlantic City, New Jersey, September 21st to 26th, 1914.

The Sovereign Grand Lodge without invitation voted to hold the session at Atlantic City with the express direction that local bodies of the Order were not to entertain and not to incur large expense as is usually the case. As a consequence the session was a business session and the usual contests and prizes for degree work, drills, and the like were wanting. The large program made up of these things and of numerous entertainments which usually characterize the sessions was scarcely missed, however, because of the many attractions offered by Atlantic City itself.

The Sovereign Body had held its session at Atlantic City nineteen years before when the Order boasted of a membership of 815,000 in the Subordinate branch, of 135,000 in the Encampment, and 225,000 in the Rebekah branches of the Order. The enormous increases in membership during the nineteen years that have intervened was a source of frequent congratulatory comment during the session. The Hotel Chalfonte was the headquarters, and the sessions were held in the large assembly room at the end of the steel pier over the waters of the Atlantic Ocean.

The morning service at the First Presbyterian Church on Sunday, September 20th, was a special service for the Order, the Rev. Henry Merle Mellen, the Pastor of the Church, preaching a sermon which is printed in the revised Journal of the Proceedings, page 864.

The entire Connecticut delegation was on hand by Saturday evening, and all participated in the opening exercises in the music hall on the steel pier at 10:00 A. M. Monday morning, where welcoming addresses were made by Hon. John W. Westcott, Attorney General of New Jersey; James H. White, Grand Master; George H. Atkinson, Grand Patriarch; William C. Taylor, Department Commander, and Ophelia Gregory, President of the Rebekah State Assembly. The Grand Sire responded and immediately thereafter the Sovereign Grand Lodge went into session performing the business of the Order.

The seats assigned to the Connecticut delegation were in a central position and far better than Connecticut ordinarily draws. The assignments of the Connecticut representatives to committees were as follows:

Canfield on Petitions.
Prince on Constitutions.
Roys on Odd Fellows Homes.
Pond on Legislation.

The Grand Officers present were as follows:

Columbus A. Keller*Grand Sire*
Robert T. Daniel*Deputy Grand Sire*
John B. Goodwin*Grand Secretary, Past Grand Sire*
M. Richards Muckle*Grand Treasurer*
J. Edward Kroh*Assistant Grand Secretary*
J. A. Lucas*Grand Chaplain*
H. R. Perkins*Grand Guardian*
W. G. Nye*Grand Messenger*

There were also present all the living Past Grand Sires, namely, C. T. Campbell, of Ontario; Alfred S. Pinkerton, of Massachusetts; John B. Goodwin, of Georgia; Edwin S. Conway, of Illinois; W. L. Kuykendall, of Wyoming, and John B. Cockrum, of Indiana.

The following appointments were made:

Grand Marshal: R H Shanks, of Manitoba, vice Harper Wilson, deceased.

Official Reporter: H. C. Stevens, of Kansas.

Assistant Grand Messengers: C. M. Turner, of Illinois; H. H. Sullivan, of Missouri.

Assistant Grand Guardians: A. H. Blackeby, of Ontario; Charles Weil, of New York; Walter H. Blake, of New Jersey.

Journal Clerk: Louis F. Hart, of Washington.

Mailing Clerk: Richard Hoe, of Wisconsin.

Reading Clerk: Will J. Russell, of Kansas.

CONDITION OF THE ORDER.

The Grand Sire in his report said:

The condition of our Order is satisfactory even to our most optimistic members. I fear the time, however, has arrived when we should give less attention to increase of membership and more to its quality. There seems to be a growing element in our Order that needs to be held firmly in hand or the very purpose and aims of our institution will be subverted. A Grand Master's success should not be measured by increase of membership or the number of new lodges instituted, but by the character and quality of work he has done during his administration.

OUR MEMBERSHIP.

December 31, 1912, we had 18,089 Subordinate Lodges, 3,715 Subordinate Encampments, 9,725 Rebekah Lodges, and 763 Cantons.

December 31, 1912, we had 1,645,369 Subordinate Lodge members, 231,865 Encampment members, 711,873 Rebekah Lodge members, 26,298 Canton members, and a total membership (without duplication) of 2,121,921.

On December 31, 1913, there were 18,153 Subordinate Lodges with 1,673,869 members and 3,580 Encampments with 233,810 members, and 9,780 Rebekah Lodges with 733,011 members, and 760 Cantons with 26,707 members.

This shows that during the year ending December 31, 1913, an increase of 64 Subordinate Lodges, a loss of 135 Subordinate Encampments, a gain of 55 Rebekah Lodges, and a loss of 3 Cantons. There was a net increase in Subordinate Lodge members of 28,500, in Subordinate Encampment members of 1,945, in Rebekah Lodge members of 21,138, in Canton members of 409, and total net increase in membership of 50,389.

REVENUES AND FUNDS.

The Grand Secretary reported:

During the past year active and interesting work has been accomplished in the Order generally, though with exceptions, and, in some Jurisdictions conditions have been such as to retard progress. From the reports and correspondence it will appear that the fraternal and benevolent principles of Odd Fellowship have been carried out and that splendid loyalty prevails among the vast membership. The figures and tables showing benevolent expenditures for the various purposes of Odd Fellowship tell more impressively than words that the mission of the Order is being faithfully performed and humanity being blessed by its existence.

To the membership of all branches additions have been made and large net increase shown in Subordinate Lodge and Rebekah membership, while in the Encampment branch the progress has not been so good.

Taken in connection with the statistical reports of the various branches, the correspondence with the active official agencies and workers will prove interesting and give fully and clearly the conditions in different parts of North America, and in oversea Jurisdictions.

The net increase in Subordinate Lodge membership in 1913 was 28,500 compared with 20,763 in 1912; in sisters of the Rebekah branch, 16,634 compared with 20,264 in 1912; and of brothers of the Rebekah branch, 4,504 compared with 4,570 in 1912; in Encampment membership, 1,945 compared with 4,959 in 1912. Though the total returns for 1913 in Encampment membership show the net increase mentioned during the past year, it is worthy of consideration that the decrease in many Jurisdictions was overcome by increase in the others.

The total net gain, therefore, in all branches during 1913 was 51,583 compared with 49,980 in 1912, exclusive of the Patriarchs Militant branch, which shows an increase of 409, and makes the total net increase 51,992.

The total membership of the Order December 31, 1913, was 2,167,055, of which the Subordinate membership is 1,673,869, and 493,186 sisters of the Rebekah branch. It will thus be seen that the sisters of the Rebekah branch are only 6,814 short of one-half million members.

The total expenditure for relief in 1913 was \$6,186,015.50 compared with \$5,917,323.15 in 1912.

The receipts of Subordinates in 1913 amounted to \$18,950,609.48 compared with \$18,922,758.38 in 1912.

The total relief expenditure of the Order since 1830 has been \$154,656,000.37.

In the figures above given are included not only the membership and work in North America, but also in all countries where the Order is established.

The condition of the Order in oversea Jurisdictions and countries is worthy of special and separate reference here, and it is gratifying

to be able to state that the splendid progress made and good results accomplished reflect great honor upon the Grand Bodies having jurisdiction and supervision in these countries.

DECISIONS.

The decisions of the Grand Sire as amended by the Sovereign Grand Lodge were as follows:

SUBORDINATE LODGE DECISIONS.

DECISION 1. *Statement.*—The Grand Lodge of Texas at its last session adopted a report, reading as follows: "We, your Committee on the State of the Order, recommend that the brothers of the Subordinate Lodges of Texas co-operate in maintaining a voluntary fund in each Lodge for the relief of distress outside of our ranks, so that we may be true to the lesson of the Good Samaritan, and exemplify as Odd Fellows our belief of the common brotherhood of man."

Question 1.—Can a Lodge legally create and maintain in the Lodge a fund to be disbursed by its officers and in its name, for the relief of distress outside our ranks, or for donations or subscriptions to charitable objects more or less foreign to our organization?

Answer.—No.

Question 2.—Can a Subordinate Lodge take jurisdiction of and maintain, even through voluntary contributions, a fund for "outside charities?"

Answer.—No.

DEC. 2. It has been held it is not in good taste to celebrate our anniversary on Sunday, Busbee's Digest, Sec. 1; that it is illegal to hold meetings of a general relief committee on Sunday, Busbee's Digest, 1116; that meetings of all Subordinate bodies must be held on a week day, Busbee, Sec. 1853; that a Canton cannot parade on Sunday, Busbee, Sec. 2438; and that Sunday should be rigidly observed by all Odd Fellows, Busbee, Sec. 1854. I am therefore of the opinion that it would be inadvisable to grant a dispensation for a Sunday excursion to be given in the name of a Lodge or the Order or to grant the use of the emblems or regalia of the Order on such occasion.

DEC. 3. *Statement.*—Last year our Grand Master decided as follows: "No. 41. When the institution of a new Lodge changes the Territorial Jurisdiction of a member, such member is entitled to the privileges of the transfer law the same as though he had moved his residence."

The Judiciary Committee reported the same to the Grand Lodge as follows: "Decision 41 states in substance that the institution of a new lodge changed the Territorial Jurisdiction of a member, presumably without his moving, and states further that a member under such conditions is entitled to the privileges of the transfer law. We non-concur in this decision, as the Constitution states that it is necessary for a member to move his residence in order to avail himself of the privileges of the transfer law."

Upon motion the report of the Judiciary Committee as to Decision 41, was referred to the incoming Grand Master with the request that he submit the question involved to the Grand Sire for official decision.

Our Constitution for Subordinate Lodges provides as follows: "When a member of the Order changes his residence from one Territorial Jurisdiction to another holding an Official Certificate in date showing dues

paid in advance may petition for membership in a Lodge in the Jurisdiction to which he has removed at or near his new residence, accompanying his petition with said Official Certificate, and if elected to membership the Secretary of such Lodge shall notify the Secretary of the Lodge issuing said Official Certificate or Visiting Card of such election, and upon notice, unless charges be pending against said member, said Lodge shall issue to him without ballot or fee a Transfer Certificate, which, on being delivered to the Lodge so electing him, he shall sign the Constitution of said Lodge and become a member of said Lodge without the payment of any admission fee; provided that if a physician's certificate is required, the applicant shall pay the expense thereof."

The Sovereign Grand Lodge at Minneapolis amended the transfer law to read as follows:

"That a member of the Order in possession of an Official Certificate or Visiting Card changing his residence from the Territorial Jurisdiction of his Lodge or Encampment to the Territorial Jurisdiction of another and desiring to unite with a Lodge or Encampment at his new place of residence, upon making application for membership, accompanied by his Official Certificate or Visiting Card, showing his dues paid in advance, and being elected as provided by local law, upon notice being sent to the Secretary or Scribe of his Lodge or Encampment, said Lodge or Encampment shall, unless charges are pending against him, without ballot and fee, issue a Transfer Certificate, etc."

Question.—Which was right, the decision of the former Grand Master, or of the Judiciary Committee?

Answer.—While the decision of the Judiciary Committee may have been justified by the strict letter of the law, I feel that the Grand Master's decision comes nearer following the spirit of the law, and was correct. By the institution of the new Lodge the brother was changed from the Jurisdiction of one Lodge to that of another and I believe the purpose of the law was to enable him to transfer his membership, without expense, to that Lodge where it would be most convenient for him to attend, and I can not see that it makes any difference whether he moves to another Lodge or the institution of a new Lodge brings it nearer to him. The reason for the transfer is the same.

DEC. 4. *Question.*—Does Decision 11, as amended, 1913 Journal, pages 304-305, apply to any Lodge in any State, regardless of individual State Constitutions?

Answer.—No.

DEC. 5. *Statement.*—A brother applied for and was elected to membership in another Lodge in another Jurisdiction on his Official Certificate. The Lodge electing him asked for and received a Transfer Certificate from the Lodge to which the brother belonged July 10, 1912. After receipt of the Transfer Certificate the Secretary notified the brother to appear in the Lodge and sign the roll. Members of the Lodge also asked the brother to sign the roll. The brother has neglected and refused to do so, but has continued to send his dues to his old Lodge, which the Financial Secretary received and receipted for, the Financial Secretary not being aware that the Transfer Certificate had been issued. The brother has paid dues to his old Lodge to January 1, 1914.

Question.—Where does he belong, if anywhere, and what is his standing? Did his "severs membership" act, he not having been sick at

any time since the Transfer Certificate was issued, put him out of the Order?

Answer.—He does not belong to either Lodge. (See Decision No. 3, page 427, Report No. 32, pages 671-705, Journal 1908; also Decision No. 42, page 66, Report No. 5, pages 211-312, Journal 1909.)

DEC. 6. *Statement.*—A Subordinate Lodge in July, 1912, for the purpose of raising a fund to defray the expenses of the Anniversary Celebration to be held April, 1913, adopted a resolution making an assessment of \$1.00 on all members then belonging to the Lodge or who should become members thereof from that date until April 26, 1913. A member who, before that time, had been dropped for non-payment of dues was re-instated in November, 1912. When he paid his first dues \$1.00 was taken out of same under this resolution.

Question.—Could this member be legally taxed with this assessment, he not being a member of the Lodge when the assessment was ordered?

Answer.—No, unless the assessment was authorized by local legislation. If the assessment was authorized by local legislation, the member in question was liable for the payment thereof as were all other members of the Lodge whether they became members prior or subsequent to the assessment.

DEC. 7. *Question 1.*—In case a member desires to change his membership from one Lodge to another and who would not be within the meaning of the transfer law because there has been no change of residence and where he resides within the jurisdiction of several Lodges having concurrent Jurisdiction and he makes application by deposit of Visiting Card or Official Certificate and on such application is elected, *must* the Lodge of which he has been a member *under the laws and decisions of the Sovereign Grand Lodge*, issue and forward to the Lodge electing him a member, a Withdrawal Card for the brother, upon application therefor from the Secretary of the Lodge so electing the brother a member?

Answer.—Yes, if the brother is free from all charges and has paid all fees and dues.

Question 2.—Does the same rule apply in Rebekah Lodges?

Answer.—Yes.

Question 3.—If the above questions are answered in the affirmative, then can a Grand Lodge enact legislation for its Jurisdiction, abrogating such laws and decisions of the Sovereign Grand Lodge so far as to require the application in such case for the Withdrawal Card to be made in person by the member or in writing by the member?

Answer.—No.

DEC. 8. *Statement.*—"A" has been a member of the Independent Order of Odd Fellows for a period of 25 years, during which time he was "suspended for cause" for a period of one year.

Question.—Is he entitled to a Veteran's Jewel?

Answer.—No. See Secs. 1604, 1611 and 1614, Busbee's Digest.

DEC. 9. *Question.*—May two or more Lodges, located in contiguous territory and assembled by appointment for holding School of Instruction in ritualistic ceremonies, hold a joint meeting for initiating a class of candidates made up from the various Lodges interested,

provided candidates have been previously regularly elected to membership and provided each Lodge participating be represented by a quorum of its members including Noble Grand and Secretary, together with their own records, charter, Constitution and By-Laws in the room and dispensation from Deputy or Grand Master having been procured and notice sent to members concerning such special meeting?

Answer.—No.

DEC. 11. *Statement.*—Clause No. 40. If the attending physician advises that the nature of the illness is such that the attendance of a nurse is necessary, one *shall be procured by the physician* and said attendance shall be continued until terminated by the *physician*, the cost of said nursing to be paid for out of the Sick Nursing Fund, but in no case to exceed \$1.50 per calendar day. If in the hospital 75 cents per day to be paid to the brother.

Question 1.—Is the above By-Law legal and should it be approved by the Committee on Laws of the Grand Lodge of Manitoba?

Answer.—No.

Question 2.—Is it not in direct conflict with Clause 159, Busbee's Digest?

Answer.—Yes.

Question 3.—Can any person hire a nurse for a sick brother other than the Lodge or its Sick Visiting Committee and have the cost of said nursing paid out of the Nurse Fund?

Answer.—No, unless properly authorized.

Question 4.—You will notice that the above By-Law gives the physician power to hire or discharge the nurse without consulting the Lodge and have the Lodge pay the nurse. Would this be legal?

Answer.—No.

DEC. 13. *Question.*—Have we, as Odd Fellows, the right to permit the Masonic Fraternity to furnish part of the funds and own a hall in partnership with us?

Answer.—Yes, unless your Grand Lodge Constitution provides otherwise. See Busbee's Digest, Secs. 1917 and 2245.

DEC. 14. *Statement.*—A Lodge desires to have a By-Law to read as follows:

Dues. The regular dues or contributions payable by every brother *now a member of this Lodge*, shall be at the rate of eight dollars per year—or two dollars per quarter, payable quarterly in advance on the 1st of January, April, July and October.

And of those who shall *hereafter be initiated or admitted* shall be at the following rates payable at the same time as above mentioned.

Age at admission	21 to 30	\$ 8.00 per annum.
" " "	31 to 35	9.00 " "
" " "	36 to 40	10.00 " "
" " "	41 to 45	12.00 " "
" " "	46 to 50	14.00 " "
" " "	51 to 55	16.00 " "
" " "	56 up	20.00 " "

Question.—Would it be legal to have two classes of dues, one for those who are now members of the Lodge and one for those who may

be admitted after the passing of these amendments, or should all pay alike whether it be a standard scale or a sliding scale to apply to all according to age whether now in membership or admitted hereafter?

Answer.—The By-Law submitted is not in conflict with any general law.

DEC. 15. *Statement.*—In a city having concurrent jurisdiction it is desired to boost Odd Fellowship by having a monster class of candidates for the Initiatory Degree, the degree to be conferred at a joint meeting, by, or under the auspices of, one of the Lodges.

Question.—May a joint meeting of the Lodges in a city or town having concurrent jurisdiction be held within the limits of said concurrent jurisdiction for the purpose of conferring the Initiatory Degree, providing the candidates for the Initiatory Degree shall have been previously legally elected to membership, and providing further that the charter, Bible, Question Book, etc., of each Lodge are present in the lodge-room at the joint meeting and that each Lodge is opened and closed at said meeting in due form?

Answer.—No.

DEC. 16. *Statement.*—About 20 years ago a brother became a member of the Order in this State. A few years later he transferred to another Lodge in this State. About 12 years ago he transferred to a Lodge in the State of Missouri. In July, 1911, he transferred back to a Lodge in this State and was accepted in the usual form and has kept his dues paid since then, but it develops that he never signed the Constitution of the last Lodge that he was transferred to.

Question 1.—Is he a member of the last Lodge and entitled to sick benefits?

Answer.—No.

Question 2.—If it should develop that he was poisoned in 1905, from which he never fully recovered, and which has been the cause of his present disability (which he did not advise the last Lodge when he was taken in), does this, *per se*, act as a forfeiture of his benefits?

Answer.—No.

Question 3.—Is he entitled to his benefits as long as his dues are paid and no charge lodged against him on this account?

Answer.—No.

REBEKAH DECISIONS.

DEC. 17. *Question 1.*—The 1914 term being the months January to September inclusive, do not Rebekah Lodge Officers earn the honors of office by attending a majority of the regular meetings in that period of nine months?

Answer.—Yes, provided they have continued in office and served therein to the end of the term.

Question 2.—May a Grand Lodge or Assembly, like its Subordinates, have a public installation of its officers?

Answer.—I find no law of the Sovereign Grand Lodge authorizing Grand Bodies and Rebekah Assemblies to hold public installations. Busbee's Digest, Secs. 1424 to 1431 inclusive. The Book of Forms contains no ceremony for such installation, and until one is provided, I shall hold Grand Bodies cannot have public installations.

DEC. 18. *Statement*.—At the last session of our Grand Lodge the following amendment to the Rebekah Lodge Constitution was adopted: (Art. V, Sec. 1.) "The fee for membership in all cases shall be such as the Lodges, by By-Laws, may determine, but in no case less than one dollar, and in case of an unmarried white woman who applies as such and whose age exceeds 45 years, she shall pay in addition not less than one dollar per year for each year of her age exceeding 45 years, unless application is made under Article II, Sec. 1, Clause 2, of the Constitution for Rebekah Lodges, except as provided by the Transfer of Membership Law."

Question.—Is this amendment legal?

Answer.—I am of the opinion that the amendment to Article V, Sec. 1 of the Rebekah Lodge Constitution adopted by the Grand Lodge at its annual session in 1912 is legal.

DEC. 19. *Statement*.—(First.) Resolution No. 34 of the Proceedings of the Sovereign Grand Lodge of 1906, page 716, reads as follows: "*Resolved*, That the respective Grand Lodges in Jurisdictions where Rebekah Assemblies are or may be organized, are hereby authorized to enact such legislation as will allow the President of such Assemblies to receive petitions for dispensations and charters for the institution of Subordinate Rebekah Lodges, and grant same and institute new Rebekah Lodges subject to the approval of their Grand Lodges and under such legislation as may be prescribed by such Grand Lodges."

(Second.) Resolution No. 40 of the Proceedings of the Sovereign Grand Lodge of 1907, page 250, reads as follows: "*Resolved*, That Secs. 2 and 3 of the Rebekah Code be and they are hereby amended so as to read as follows: Sec. 2. The Grand Lodges subordinate to the Sovereign Grand Lodge are hereby authorized and empowered to institute Rebekah Lodges at such places as they may deem proper within their territorial limits, and during the recess of such Grand Lodge the Grand Masters are hereby authorized to grant dispensations for the institutions of such Rebekah Lodges subject to the approval of the Grand Lodge at its next session. Sec. 3. A Grand Master shall be the installing officer, who may, however, appoint for that purpose any Past Grand or Past Noble Grand who is in good standing in a Rebekah Lodge."

Question 1.—To what extent does the Resolution No. 40 of the legislation of 1907 as above quoted, repeal Resolution No. 34 of the legislation of 1906?

Answer.—None of it. It is supplementary to the provisions of the Rebekah Code.

Question 2.—What authority exists, if any, other than the provisions of the Rebekah Code as amended, for the institution of Rebekah Lodges?

Answer.—Resolution No. 34, Journal 1906, page 716.

Question 3.—Can Grand Masters in all Jurisdictions institute Rebekah Lodges as provided by Rebekah Code as so amended?

Answer.—Yes, unless authority otherwise has been given as provided for in Resolution No. 34, Journal 1906, page 716.

In Texas and in many other Jurisdictions laws like the one you quote from Michigan have been enacted. Resolution No. 40 of 1907 did not materially change the Rebekah Code from what it was before. This law is in full force and effect, except in Jurisdictions where the Grand Lodge has delegated its authority to the Rebekah Assembly

as in Texas and Michigan. Where there is a Rebekah Assembly and the Grand Lodge has delegated its authority as provided by Resolution No. 34 of 1906, neither the Grand Master nor the Grand Lodge would have power or authority to act under the Rebekah Code as amended by Resolution No. 40 of 1907, without annulling the permission given to the Rebekah Assembly. If both had the right, conflict of authority would almost surely arise.

DEC. 20. *Question*.—Does the Transfer Law as amended at the last session of the Sovereign Grand Lodge, except as relates to benefits, apply to Rebekah Lodges the same as to Subordinate Lodges and Encampments.

Answer.—Yes.

DEC. 21. *Question*.—Has the President of the Rebekah Assembly the right to recall and reclaim charter, books and other effects of defunct Rebekah Lodges, such action being under approval of the Grand Lodge, and according to such regulations as may be prescribed by the Grand Lodge?

Answer.—Yes.

MISCELLANEOUS DECISIONS.

DEC. 29. *Statement*.—The Past Grands form an association, elect officers, have a Constitution and By-Laws, initiation and installation ceremony, secret work and pass-words. A small fee is charged for admission and a small amount for dues.

Question 1.—Does such an organization come under the ban of Past Grand Sire W. L. Kuykendall's proclamation issued on January 10, 1910?

Answer.—Yes.

Question 2.—Can Past Officers have an association without ceremonies, secret work, pass-words, etc., that meets for the purpose of discussing legislation and socials that will have a tendency to build up the Order?

Answer.—Yes.

DEC. 30. *Statement*.—The Past Noble Grands of a Rebekah Lodge desire to form a social club, the club to be composed of the Past Noble Grands of this Lodge and their husbands. They wish to call the club: "The Past Noble Grands' Social Club of (name of lodge)."

Question.—Is it permissible, under our laws, for them so to organize and style themselves?

Answer.—Yes, provided they do not use the name of a Lodge.

SUBORDINATE LODGE DECISIONS.

DEC. 31. *Statement*.—Under the laws of Indiana, Section 14 provides, "That should the funds of a Lodge become exhausted each member thereof shall make such contribution to the relief of sick and distressed brothers as shall be determined on by two-thirds of the membership present; but no motion or proposition to tax the members of any Lodge or appropriate the funds thereof to other than charitable purposes or ordinary expenses of the Lodge shall be decided at the same meeting at which it is made, nor shall any such motion be lawful except at a regular meeting."

During the flood of 1912 a Lodge of this Jurisdiction was sorely afflicted, nearly one hundred of its members were in the flooded

district, and at a special meeting held on Sunday, April 13, with a good attendance of the membership, a motion was made to assess the members \$2.00 each for the relief of those affected by the flood. The vote was unanimously in favor. At the next regular meeting following the motion to make the assessment was again made and carried unanimously. The Lodge at the time had \$900.00 in its treasury available for its uses. Besides it owned its own property and was not in distress financially.

Question.—Was this assessment legal and enforceable against all the members?

Answer.—From the statement it seems the funds of the Lodge had not become exhausted, and there was ample money in the treasury out of which such appropriation as was necessary could have been made, and I therefore answer *no* to your question.

REBEKAH DECISIONS.

DEC. 33. *Question.*—Can a Rebekah Lodge be instituted, none of the charter members being in possession of the degree, or having cards or certificates from Rebekah Lodges?

Answer.—Yes. See Sec. 27, Rebekah Code, Busbee's Digest, page 702.

GRAND LODGE DECISIONS.

DEC. 34. An amendment to Section 6 of Article 9, of the Grand Lodge Constitution of California, submitted to me, was not approved because in providing for the consolidation of Lodges they left out the clause contained in the old Constitution, as follows: "provided there are not five Third Degree members in good standing in the Lodges who object to or protest against same." See Busbee's Digest, Section 1781. Also Journal 1904, pages 545, 752, 820; and 1906 Journal, pages 19, 219, 243.

DEC. 35. *Statement.*—The law referred to in Section 834 of Busbee's Digest authorizes a Grand Lodge so to legislate while a member of any Subordinate or Rebekah Lodge is a resident of an Odd Fellows' Home approved by the Grand Lodge, such Lodge or Rebekah Lodge shall be exempt from the payment of any benefits to such member, and that during such period of exemption from benefits no dues shall accrue against such member. The law digested in Section 2490 of the same Digest prohibits the payment of benefits by a Rebekah Lodge.

Question.—May a Grand Lodge enact that no dues shall accrue against a member of a Rebekah Lodge while such member is a resident of an Odd Fellows' Home under the control of said Grand Lodge?

Answer.—The law digested in Section 2490 of Busbee's Digest is later than the law covered by Sec. 834 of Busbee's Digest, and the two might be construed to mean that the exemption from payment of dues might be dependent upon the right to claim benefits, but I am of the opinion that the intent was to relieve any member of the Order who was a resident of one of our Homes from the payment of dues, and for that reason answer you in the affirmative.

MISCELLANEOUS DECISIONS.

DEC. 37. *Statement.*—Referring to Decisions No. 14 and No. 15, page

17, Journal 1913, and to the legislation referred to in connection with Decision No. 15.

Question 1.—May a Past Grand Patriarch wear a Past Grand Patriarch's Jewel in lieu of a regalia in a Subordinate or in a Grand Encampment?

Answer.—Yes, provided such Jewels issued since January, 1912, be those sold by the Sovereign Grand Lodge (see Report 96, Pages 376-403 S. G. L. Journal 1911)."

Question 2.—May a Past Grand Master or Past Grand Patriarch who before 1911 was in possession of a Past Grand Master's or Past Grand Patriarch's Jewel, which accorded with the laws then in force, now wear such Jewel in lieu of regalia (a) in a Lodge, (b) in a Rebekah Lodge, (c) in a Grand Lodge, (d) in a Subordinate Encampment, or (e) in a Grand Encampment?

Answer.—Yes.

Some changes were again made in the transfer of membership law, they relating to a charge for the transfer certificate. The law as it now exists is as follows:

"That a member of the Order in possession of an Official Certificate or Visiting Card changing his residence from the Territorial Jurisdiction of his Lodge or Encampment to the Territorial Jurisdiction of another and desiring to unite with a Lodge or Encampment at his new place of residence, upon making application for membership, accompanied by his Official Certificate or Visiting Card, showing his dues paid in advance, and being elected as provided by local law, upon notice being sent by the Secretary or Scribe to his Lodge or Encampment, said Lodge or Encampment shall, unless charges are pending against him, without ballot, upon the payment of such fee not exceeding 25 cents as the Grand Body to which such Lodge or Encampment is subordinate may prescribe, issue a Transfer Certificate and send the same at once to the Secretary or Scribe sending for the same; and upon the receipt of Transfer Certificate, the member shall be entitled to sign the Constitution and become a member of the new Lodge or Encampment without the payment of any admission fee; *provided*, that if a physician's certificate is required he must pay the expenses for the same.

"*Provided*, That in Lodges and Encampments under the immediate jurisdiction of the Sovereign Grand Lodge the fee for issuing a Transfer Certificate shall be 25 cents.

"The Secretary or Scribe shall immediately report to the Secretary or Scribe of the Lodge or Encampment issuing the Transfer Certificate the date of signing the Constitution of the new Lodge or Encampment and he shall make a record thereof, and the old Lodge or Encampment shall immediately refund to the member all dues paid in advance of the date of signing the Constitution of the new Lodge or Encampment.

"The issuing of a Transfer Certificate shall sever membership in the Lodge or Encampment issuing it; *provided*, that if a member becomes sick or disabled, or shall die before the date to which his dues are paid and before completing his membership by signing the Constitution of his new Lodge or Encampment, then said Transfer Certificate shall be cancelled and returned to the Lodge or Encampment issuing the same and said member shall retain his beneficial standing in his old Lodge or Encampment, the same as though the Transfer Certificate had not been issued.

"If the member fails to sign the Constitution of his new Lodge or Encampment within three months after the date of his election, the Transfer Certificate shall be cancelled and returned to the Lodge or Encampment issuing the same and the member shall hold the same standing in his old Lodge or Encampment as though the Transfer Certificate had not been issued.

"Provided, That the foregoing shall not extend to or affect the Quasi-Independent Grand Jurisdictions."

The Grand Sire has ruled that the twenty-five cents fee is to be paid by the applicant for a Transfer.

THE SOVEREIGN ODD FELLOW.

The action of the Grand Sire with reference to the publication known as "the Sovereign Odd Fellow" was approved, and no further action taken, pending the determination of the civil suits now in the Courts, the Sovereign Body asserting its confidence in the wisdom and discretion of the then incoming Grand Sire, our present Grand Sire, in any action that he may take in the matter.

REBEKAH LEGISLATION.

An amendment was adopted to the provision of law to the effect that a member of the Rebekah Lodge who has been a contributing member for twenty-five consecutive years and has become sixty years of age may be carried as a non-contributing member, so that such non-contributing member may be reinstated as a contributing member in the manner provided for the reinstatement of members suspended for non-payment of dues.

OTHER LEGISLATION.

Resolutions were adopted providing that the Reports of the Officers, the Daily Journals, and the Journals of Proceedings be sent to all Homes of the Order; that all statistical information regarding Homes be included in the Journal; that visitation of Grand Patriarchs to Subordinate Lodges be encouraged, but that no supervisory power be conferred over Subordinate Lodges; that each Grand Representative shall be allowed fifteen copies of the Daily Journal to be mailed under the direction of the Grand Secretary; changing the price of cards and certificates to Grand Bodies to fifteen cents each; adopting a new Patriarchs Militant Code, an entirely new Patriarchs Militant Ritual and directing the Grand Sire to take such steps as may be necessary in his judgment to secure the passage by Congress and the Canadian Parliament of such laws as will protect the Order in the sole use of its emblems and preventing their use for advertising purposes.

Designs were adopted for jewels for Grand Sire and Past Grand Sires, for District Deputy Grand Sire, and for District Deputy

President and for Past District Deputy President. The Committee on Codification of the Laws reported that it had been unable to complete its work and it was continued another year; the Committee announcing with confidence that it could report the complete code at the next session. The Committee on Temple and Permanent Meeting Place for the Sovereign Grand Lodge was discharged from further consideration of the subject. It is apparent that the adoption of any permanent place of meeting has been postponed for a substantial time. There is lack of unanimity as to a desirable place and at this time it does not appear at all likely that any one place can be fixed upon as a permanent meeting place of the Sovereign Body. To some of us this situation is disappointing.

A committee of three was appointed to consider the desirability of a uniform series of questions and answers to be used in the examination of candidates in the degrees taken before advancement to the next degree.

Much was heard by way of complaint against various insurance companies claiming to insure members of the Order only. Action was taken prohibiting Secretaries of Lodges and Grand Secretaries acting as collectors for Insurance Companies advertising to insure "Odd Fellows only," and that such officials should cease to give certificate as to the standing of the applicant for such insurance.

APPEALS.

Five appeals were disposed of, and as much of the law of the Order is fixed in appeal cases, we report the syllabi of the cases, which state the principles of law involved.

1. Wilson vs. Grand Lodge of Illinois.

SYLLABUS.

1. *Continuous Sickness. Partial Recovery. Recurrence or Progress of Malady.*—A brother suffering with an ailment incurable in a technical and scientific sense, may yet so far recover as to be able to follow his usual avocation and to be well, within the meaning of our Laws, so that a recurrence of the malady or a total disability from its progress becomes a new sickness. Whether this is true is a question of fact to be determined by the Trial Body which hears the evidence.
2. *Conflict of Testimony.*—Under the long established practice of the Sovereign Grand Lodge, a finding of fact by a Subordinate Lodge on a question where there is a conflict of testimony, will not be disturbed when there is any evidence to sustain the verdict.
3. *Practice on Appeal.*—Although the record on appeal discloses facts which might have produced a different result in the Subordinate Lodge and in the Grand Lodge on Appeal, if the case had been presented upon a different theory, the Sovereign Grand Lodge will not adopt such different theory and reverse the decision of the Grand Lodge where to so do would amount to making for

appellant a new case and one which the appellee was not called upon to meet in the Subordinate Lodge or the Grand Lodge.

2. Roanoke Lodge vs. Grand Lodge of Virginia.

SYLLABUS.

Assessments for funeral benefits, chargeable after an Official Receipt is issued, become a charge, which together with unpaid dues, may render a brother non-beneficial, even where his Official Receipt shows him to be entitled to benefits at time of death.

Where the Constitution of a Grand Jurisdiction provides that assessments may be made to pay funeral benefits and such assessment is made under the By-Laws of a Subordinate Lodge of that Jurisdiction, said assessment to become chargeable as dues 90 days after notice to the Lodge of the death of a brother and notice of same is provided for and received and where the By-Laws of a Lodge declare that a brother shall not be entitled to the pecuniary benefits of his Lodge, if indebted to the amount of one quarter's dues:

Held, that after the 90 days has elapsed, the assessment becomes a part of the charges on the books, and when it, together with unpaid dues, amounts to one quarter's dues, the brother becomes in arrears, and ceases to be entitled to the pecuniary benefits of his Lodge, even though he has an Official Receipt showing his dues paid to a time less than 13 weeks before his death.

3. Hallock vs. Grand Lodge of Alabama.

SYLLABUS.

Illegal Vote.—If known to Noble Grand to exist in a ballot, a re-ballot should be ordered; but a Noble Grand has not the power to eliminate such vote in arriving at result of ballot.

Reversal on Appeal.—Appellate body cannot reverse verdict of acquittal and direct the entry of a verdict of guilty.

4. Baker vs. Grand Lodge of Kentucky.

SYLLABUS.

1. *Illegal Expenditure of Funds.*—A Subordinate Lodge cannot legally expend its general fund for running steamboat excursions, conducting a restaurant, giving picnics, entertainments, suppers and similar affairs; or in a general advertising campaign to those outside the Order for the purpose of soliciting and receiving members.

2. *Cannot Engage in Business Outside of the Objects of the Order.*—It is unlawful for a Subordinate Lodge to engage in the business of conducting steamboat excursions and running a restaurant at a State Fair, and when these things, as well as giving public

entertainments, suppers, advertising in newspapers, pamphlets, circulars and periodicals, are engaged in, as part of a general campaign for making the public acquainted with the objects and practices of the Order for the purpose of soliciting new members it is not only illegal, but justly subject to severe censure.

3. *Improper Expenditure of Funds.*—A Subordinate Lodge cannot legally make an expenditure from its general fund to secure a list of “prospects” for membership in the Order and entering into a campaign of sending literature to such “prospects” in the hope of inducing some of them to become members of the Order.
4. *A Member of a Lodge Cannot be Reimbursed for Money Expended by Him for an Illegal Purpose.*—When a Lodge illegally engages in business ventures and illegally expends its funds in the same, a member of the Lodge, who has assisted in such illegal business and expenditures and has in prosecuting the same expended some of his own funds, cannot be reimbursed by the Lodge for the money so expended by him.
5. *Duty of Grand Officers.*—Grand Lodges and Grand Masters should be vigilant in preventing the illegal expenditure of its funds by a Lodge.

5. Sonderup vs. Grand Lodge of Kansas.

SYLLABUS.

Dismissal of charges by a Lodge after they have been referred to a Trial Committee.

A Lodge acting under a Constitution which provides that “these rules shall not deprive a Lodge of the right to dismiss an accusation which it deems insufficient” has the power to dismiss the charges because of their insufficiency, even though a Trial Committee, properly constituted, had proceeded with its duties at any time prior to the report of said committee to the Lodge.

AMENDMENTS TO CONSTITUTION.

A Constitutional amendment designed to admit to membership in the Order persons eighteen years of age was again acted upon and was defeated by a vote of one hundred and one (101) yeas to 102 nays. 153 in its favor were necessary for its adoption. Subsequent to the defeat of the proposition it was again introduced and comes up again at the next session.

There was also a proposed amendment to the Constitution requiring that Grand Representatives must have received the Patriarch Militant Degree and be a member in good standing of a Canton in good standing. This proposition was also defeated and reintroduced and will again come up for action at the next session.

An entire revision of the Constitution of the Sovereign Grand Lodge was submitted by the Codification Committee and was acted upon in detail in the hope that its terms could be agreed upon and it could be adopted at the next session without misunderstanding or any further effort to change its provisions.

NEXT PLACE OF MEETING.

San Francisco, California, was selected as the place for the meeting of the 1915 session, there being no other invitation. The Representatives from Maryland announced that Baltimore is prepared to receive the Sovereign Body whenever it cares to meet there.

ELECTION OF OFFICERS.

There was no contest for any of the offices except that of Deputy Grand Sire. For that position there were nine nominations as follows: W. W. Phelps, of California; F. C. Goudy, of Colorado; C. D. Rinehart, of Florida; Alfred S. Kimball, of Maine; Lucian J. Eastin, of Missouri; F. P. Trautmann, of New York; J. B. A. Robertson, of Oklahoma; Joseph Oliver, of Ontario, and Wilson K. Mohr, of Pennsylvania.

It took six ballots to elect Brother J. B. A. Robertson, of Oklahoma, having 110 votes on that ballot and Brother Frank C. Goudy, of Colorado, having 90.

The following officers were elected: Robert T. Daniel, of Georgia, Grand Sire; J. B. A. Robertson, of Oklahoma, Deputy Grand Sire; John B. Goodwin, of Maryland, Grand Secretary; M. Richards Muckle, of Pennsylvania, Grand Treasurer.

The following appointments were announced and confirmed: Rev. J. A. Lucas, of Illinois, Grand Chaplain; John A. Hynds, of Georgia, Grand Marshal; E. L. Webber, of British Columbia, Grand Guardian; D. E. Bird, of Missouri, Grand Messenger; J. Edw. Kroh, of Maryland, Assistant Grand Secretary. The officers were installed by Past Grand Sire Pinkerton.

INCIDENTS.

There was a parade on Wednesday afternoon which made a creditable appearance under all the circumstances, although the accommodations for the members of the Sovereign Grand Lodge were far from satisfactory. The Degree of Chivalry and a Military Ball was a public function largely attended. A battalion of orphans from the Orphan's Home of Philadelphia with their own juvenile band was a feature of the parade, and likewise of the morning session of the Sovereign Grand Lodge. The orphans visited the session of Wednesday morning and their presence and the exercises which they presented stirred the feelings.

Thursday the Sovereign Body took a short recess while Washington Lodge, No. 1, of Baltimore, the original Lodge, marched around the hall and received the plaudits of the Representatives of the mighty Order which had sprung from the little acorn planted at Baltimore.

The Grand Secretaries and Grand Scribes Association held several meetings with our own Grand Secretary in attendance. Connecticut

was honored not only in the invitation extended to our Grand Secretary to address the Association, but also in the character of the address that he made.

General A. R. Stocker, of Ohio, was reappointed Commander of the Patriarchs Militant.

CONCLUSION.

Your Representatives close their report with an expression of appreciation of the honors conferred upon them and of their pride in that the Order in this Jurisdiction has so long expressed its confidence in them.

Fraternally submitted,

FRANK E. ROYS,
PHILIP POND,
Grand Representatives.

REPORT OF COMMITTEE ON CORRESPONDENCE

BRIDGEPORT, CONN., May 19, 1915.

To the Grand Lodge, I. O. O. F., of Connecticut.

REPRESENTATIVES:—Your Committee on Correspondence beg leave to submit the following report:

ALABAMA.

The seventy-fourth annual session of this Grand Lodge was held at Birmingham, May 12-13, 1914. Grand Master says: "In taking charge of my work as Grand Master, I first requested the Grand Secretary to furnish me with a list of all delinquent and defunct Lodges, and all in arrears for per capita tax for one year or more. He sent me a list of about 86 Lodges in arrears. All of these Lodges have had attention, either personally, or through my Special Deputies, and the majority of these Lodges have been revived or re-organized, as you will find in another place in my report. Some few charters have been taken up from Lodges where fifteen members could not be obtained, but nearly all the Lodges re-organized have increased their membership and there has been a general increase in membership and more increase and interest in all the Lodges.

"There are 15 counties in Alabama without an Odd Fellows Lodge.

"There are also 23 counties in the State with less than five Lodges.

"This shows that there is now lying fallow a good field for our labors."

Grand Secretary reports: Subordinate Lodge membership, 17,091; loss, 2,579. Assets, \$266,060.69.

ARKANSAS.

The sixty-fifth annual session of this Grand Lodge was held at Little Rock, October 27-28, 1914. Grand Secretary reports: Subordinate Lodge membership, 24,482, loss, 2,306. Assets. \$358,410.64.

ARIZONA.

The thirtieth annual session of this Grand Lodge was held at Phoenix, April 20-22, 1914. Grand Secretary reports: "Your Grand

Secretary takes great pleasure in reporting a substantial increase in the membership of the Order in this jurisdiction during the past year. The increase over last year is considerable, which demonstrates that Odd Fellowship in Arizona is keeping pace with the general improvements of conditions in the State and that with concerted action on the part of the officers and members of this Grand Lodge our Order can be made the largest in the State."

Subordinate Lodge membership, 2,194; gain, 130. Assets, \$160,166.26. Rebekah Lodge membership, 1,374; gain, 29. Assets, \$3,876.38.

BRITISH COLUMBIA.

The fortieth annual session of this Grand Lodge was held at Victoria, June 10-12, 1914. Grand Master says: "Owing to the general depression the Order has not progressed as rapidly as I had wished for, our net gain being only about five per cent. Lost a large number by suspension for non-payment of dues. I am pleased to say that most of the Lodges are financially strong."

Grand Secretary reports: Subordinate Lodge membership, 7,026, gain, 342. Assets, \$1,160,282.31. Rebekah Lodge membership 2,389. Assets, \$5,773.33.

CALIFORNIA.

The sixty-second annual session of this Grand Lodge was held at Santa Cruz, May 12-15, 1914. Grand Master says: "The Order has increased some in membership during the past year, 2150 having been initiated. Its number is to-day considerably greater than it was one year ago, although at the end of 1913, 1724 members were suspended for non-payment of dues. The death roll has been large, and I regret to say that during my term many good brothers who have been active in the Order have crossed the silent river."

Grand Secretary reports: Subordinate Lodge membership, 46,099; gain, 77. Assets, \$4,434,657.06. Rebekah Lodge membership, 33,791; gain, 171.

COLORADO.

The forty-seventh annual session of this Grand Lodge was held at Denver, October 20-22, 1914. Grand Secretary reports: Subordinate Lodge membership, 14,155; loss, 220. Assets, \$817,468.85.

DELAWARE.

The eighty-first annual session of this Grand Lodge was held at Wilmington, November 18, 1914. Grand Master says: "The past year has been a very pleasant and prosperous year in our Order. We have gained rapidly in number, financially, and in the fraternal spirit of Odd Fellowship. We may, therefore, rejoice in the past, and

with reverence let us bow in acknowledgment of the wisdom and goodness that has controlled our destiny. We may look with pleasure upon the promise of the future, and let us all as one great band of Brothers take up the work before us with courage and with confidence and make the coming year the greatest year yet known in the works of Odd Fellowship of Delaware."

Grand Secretary reports: Subordinate Lodge membership, 3,812; gain, 386. Assets, \$201,504.01. Rebekah Lodge membership, 369; gain, 38. Assets, \$9,975.02.

FLORIDA.

The fifty-ninth annual session of this Grand Lodge was held at Lakeland, April 21-22, 1914. Grand Secretary reports: Subordinate Lodge membership, 4,229; loss, 127. Assets, \$109,897.51.

IDAHO.

The thirty-second annual session of this Grand Lodge was held at Boise, October 20-22, 1914. Grand Master says: "It is gratifying to me to be able to report to you that peace, harmony and prosperity mark the prevailing condition and state of the Order in this jurisdiction.

"Some Lodges have prospered more than others, some are larger and wealthier than others, while some have more live, energetic and industrious members than others. We have a number of weak and struggling Lodges—Lodges that can scarcely get a quorum together for the transaction of business, and they find it hard to maintain interest or even keep in standing. I think there has been too strong a tendency to organize small Lodges where the communities were not large and prosperous enough to sustain them. I have discouraged the organization of new Lodges during my term for this very reason."

Grand Secretary reports: Subordinate Lodge membership, 8,199; loss, 181. Assets, \$699,984.78.

INDIANA.

The seventy-eighth annual session of this Grand Lodge was held at Indianapolis, November 18-19, 1914. Grand Master says: "I want to congratulate the over 85,000 Odd Fellows of Indiana on the condition of the Order in the State. Undoubtedly this year's work has done much to create a better Odd Fellowship. There is no question in my mind that our Round Table meetings have caused the membership generally to understand that they must act and live Odd Fellowship if this great institution is to be the power for good as it is intended it should be. I also want to congratulate the Lodges for the added interest taken in the affairs of the Order. The fact that our Lodges are in better working condition than ever before and are conferring

the degrees in a manner that they initiate Odd Fellows and not members is due cause for hearty congratulations."

Grand Secretary reports: Subordinate Lodge membership, 85,131; gain, 809. Assets, \$4,203,369.25.

ILLINOIS.

The seventy-seventh annual session of this Grand Lodge was held at Springfield, November 17-19, 1914. Grand Master says: "Our journey during the year just closing has been pleasant and profitable. No disturbing elements approaching the magnitude of a public calamity have arisen to cast their blighting shadow across our pathway and we have been permitted to pursue our labors after the usual manner and without any extraordinary requirements from external quarters. Our material progress has been steady and sure. Notwithstanding the wide-spread commercial and financial depression, our membership has gradually increased in numbers and I am pleased to report that our financial condition is eminently satisfactory. My personal observation together with reports reaching me daily from all quarters indicate that we are approaching the season of activity in the fraternal world manifesting a fitness, zeal and determination that I have not seen equalled in the four years I have devoted to state-wide Odd Fellowship, and I doubt if the general prospects have been brighter in the history of the Order. For these and all the manifold blessings vouchsafed to us, we are devoutly thankful to the Supreme Ruler of the Universe, through whose favor we receive all good and perfect gifts."

Grand Secretary reports: Subordinate Lodge membership, 105,062; gain, 2,531. Assets, \$3,296,371.95. Rebekah Lodge membership, 57,088. Assets, \$95,831.32.

IOWA.

The sixty-seventh annual session of this Grand Lodge was held at Burlington, October 21-23, 1914. Grand Secretary reports: Subordinate Lodge membership, 59,199; gain, 354. Assets, \$1,990,813.00. Rebekah Lodge membership, 41,769; gain, 543. Assets, \$23,587.52.

KANSAS.

The fifty-seventh annual session of this Grand Lodge was held at Manhattan, October 14-15, 1914. Grand Master says: "We regret to report that the Order will not show a net gain for the year, but conditions have been such in the State for the past three years, and especially culminating in an almost complete failure last year, in crop conditions, that we could not well expect a gain; in fact, would expect a much larger loss than will be chronicled.

"Upon accepting this office we decided that it was not so much a large numerical increase needed, but a more dignified and united

front, if possible; a higher conception of the Order; a higher standard of efficiency in our degree work; and a better business method for conserving our finances. We are glad to report that a wave of reformation has spread over the State; Lodges are changing their By-Laws to a more efficient business basis; are demanding that he who knocks at the door of the Lodge-room shall bring something in with him; are demanding the best available members for officers; are tending to create a higher standard in all departments than ever before.

"The inevitable drain seems to play a conspicuous part in the affairs of the Lodges, and has been responsible for the offset in membership gains which should otherwise be ours this year; I refer to dropped for non-payment of dues. How can we stop it? Never! until we have reached that high plane of dignity due our beloved Order and have placed it where it properly belongs in the commercial world. Let us hope there is a new day dawning for Odd-Fellowship in this State, as well as everywhere, and that the class of men who knock at our doors will become so imbued with the great principles of the Order and impressed with its great possibilities that they will place as one of their foremost obligations their duty to their Lodge."

Grand Secretary reports: Subordinate Lodge membership, 49,938; loss, 194. Assets, \$1,824,194.51.

KENTUCKY.

The seventy-seventh annual session of this Grand Lodge was held at Frankfort, October 13-14, 1914. Grand Master says: "During the twelve months ending July 1, 1914, there have been initiated the large number of 2140 members, so that had the Lodges prevented the losses from non-payment of dues and other avoidable causes, we could now record a handsome increase in membership. As a fact, over one-half of the Lodges show a loss in membership, another large number considers it sufficient simply to remain in *statu quo*; while less than a third of the Lodges are keeping our banners lifted high to the honor of our great Fraternity. The saddest fact in this line is, that most of the Lodges that have children in the Home are allowing their membership to dwindle. One Lodge which had a membership of 70, and has had five residents in the Home, has now only 18 members in good standing. This suggests that the Grand Lodge may be forced to require children of such Lodges to be withdrawn from the Home. I commend this to the serious attention of this Grand body.

"By the most strenuous campaign by the combined efforts of the Grand Master and Grand Secretary, we seemed to have stopped the backward tide of the two past administrations, but we are not satisfied yet with results. We trust that there has been considerable increase since July 1st, which will not show in the Grand Secretary's report, as his figures close with reports of June 30th.

"I beg all representatives at this Grand Session to attend their Subordinate Lodges regularly from now until January 1, 1915, and begin at once steps in your Lodge to prevent losses from non-payment of dues."

Grand Secretary reports: Subordinate Lodge membership, 28,740; loss, 113. Assets, \$1,359,373.48.

LOUISIANA.

The eighty-first annual session of this Grand Lodge was held at Hammond, March 10-12, 1914. Grand Master says: "The end of this, the fiscal year, of our Order, has shown some peculiar conditions. In parts of the State the Order has prospered, and in others, it has gone backward. The different financial conditions is wholly responsible for these conditions.

"The Southern portion of the State promised a healthy increase at the beginning of the year, but the heavy rains just at harvest time, checked the prosperity of that portion of the State, so we have fallen short of our expectations from that portion. I find in parts of the middle portion of the State, a healthy condition and with some Lodges an increase is shown, while with others, there is a lack of ambition and confidence and they show no increase, and some, a decrease. I am pleased to report however, that peace and harmony is in evidence throughout the State and prospects are brighter than for some years for a healthy increase in membership.

"In North Louisiana and the timbered parts of the State I find that some Lodges are growing and some are going backwards, and I attribute it to the saw mills moving out and leaving for other fields.

"The Lodges in the City of New Orleans are prosperous and in a healthy condition, and I attribute this condition partly to the loyal efforts of the District Committee of District No. 1 of the Parish of Orleans which was permitted to organize at our last session of this Grand Lodge in the City of New Orleans last March. This committee has done a wonderful work. The results of this committee has convinced me that such committees should be organized throughout the State, and the several Lodges in such Districts pay the actual expenses of the District Deputy Grand Master and suite of said District, when on official visits, etc.

"I, like my predecessor, have not visited the Lodges as I would have liked to have done, had circumstances permitted. My time was not mine, and I resigned my position in September so I could visit some of the weaker Lodges, between then and November 1st."

Grand Secretary reports: Subordinate Lodge membership, 4,503; gain, 116. Assets, \$136,895.38.

MAINE.

The seventy-first annual session of this Grand Lodge was held at Portland, October 21, 1914. Grand Master says: "I am very glad

to say harmony prevails throughout this jurisdiction with but few exceptions. Nearly all the Lodges are in a healthy and prosperous condition, and are active in carrying on the great work in which they are engaged. The few Lodges that are not strong and vigorous have had special attention, either by a personal visit or by a special communication. In a few instances I have requested a District Deputy Grand Master to make visits and perform some special duties. The results, considered as a whole, have been gratifying. It has been my desire to render special help to Lodges that have been inactive or that have become discouraged. The large and strong Lodges are moving forward with a momentum acquired from an activity which stimulates healthy conditions. They are constantly vigilant and therefore prosperous. I considered it most desirable that such should be the uniform condition of all Lodges. I have not always been able to render as much assistance as I would like, or to grant requests which did not appear to me to be for the best interests or for the permanent good of the Order as a whole. This fraternity has reached a position in the great agencies for good in this world where it stands in the front rank. In my judgment the time has come when a change should be made in an important matter. I firmly believe that the question of benefit should be left in a much larger sense to the decision of Subordinate Lodges. If authority should be granted so that each Lodge could use its discretion in this important line of work. I believe a great advantage would result to all interested. I think the most desirable change that could be made at first would be to authorize new Lodges to decide whether or not they would pay compulsory benefits. I firmly believe this fraternity has sufficient with its beneficial qualifications left optional with each Lodge to commend it to those who desire the best that this world can offer in the fraternal line of usefulness. I am well aware that this Grand Lodge has not the authority to make such a radical change, yet I firmly believe each jurisdiction should have a larger control of this important subject. I am not unmindful of the great good that is now accomplished, but I believe even better results could be attained and its sphere of usefulness increased far beyond its present great attainments as a salutary influence for good among men."

Grand Secretary reports: Subordinate Lodge membership, 26,042; gain, 283. Assets, \$1,002,899.50. Rebekah Lodge membership, 23,330; gain, 733. Assets, \$24,450.21.

MANITOBA.

The thirty-first annual session of this Grand Lodge was held at Winnipeg, March 4-5, 1914. Grand Master says: "To those who looked forward to 1913 as one of great advancement, the result may be somewhat disappointing. This, of course, is due to the general stringency of the money market, which has prevailed throughout the world, and our Order must share in this depression. The condition

of the Order throughout this Jurisdiction has suffered, however, in no other respect. Each year we find the usual leakage by suspensions for N. P. Ds and look for an increase by admissions to offset this, to a greater degree than has been our realization during the year. When assuming office, my ambition was to help those who most required assistance and I am conscious of having been somewhat successful in this respect. Lodges that were apparently in the rut, have manifested satisfactory evidence of activity, and realize more clearly the duty they owe to this great organization. To those Lodges whom I have been unable to visit I feel assured this explanation will appeal.

"The magnitude of the work and my inability to devote a greater portion of my time has caused me considerable worry, as the Macedonian appeal comes with power to those who have any conception of what is required of them. The fact remains, however, each Lodge should be visited, they expect it, and are surely benefited by it, and happy is the man who can respond to every appeal.

"I have endeavored each month to reach the Lodges through the columns of the W. C. O., a copy of which has been mailed them. Any failure in this respect is attributable to those who have not sought this channel for information. Considerable correspondence has been carried on regarding the instituting of new Lodges which will, I trust, in time bear fruit, but I am strongly of the opinion we should proceed cautiously along this line. Having received my early training on the farm, I was taught to have ground well prepared in order to expect a profitable harvest, and this rule should be followed in our work, as nurses in our institution should be used for members only, not lodges."

Grand Secretary reports: Subordinate Lodge membership, 10,186; gain, 433. Assets, \$300,188.33. Rebekah Lodge membership, 6,192; gain, 929. Assets, \$4,343.52.

MARITIME PROVINCES.

The fifty-seventh annual session of this Grand Lodge was held at Woodstock, N. B., August 12-13, 1914. Grand Master says: "The strength of our Order, in the number of Lodges, has been increased by one Subordinate Lodge and three Rebekah Lodges. While the growth along this particular line during the year just ended, is considerably lower than in 1913, we have had, taking everything into consideration, a very successful year."

Grand Secretary reports: Subordinate Lodge membership, 11,048; gain, 421. Assets, \$208,513.65. Rebekah Lodge membership, 5,520; gain, 399. Assets, \$3,400.00.

MARYLAND.

The eighty-sixth annual session of this Grand Lodge was held at Baltimore, April 20-21, 1914. Grand Master says: "In making this,

my last report, as an officer of the Grand Lodge, I want to thank, first, you members of this grand old Mother Jurisdiction for the great honor you have conferred upon me. The present condition of our Grand Order is very satisfactory. Since our last annual meeting the spirit of enthusiasm has continued to such an extent that we now occupy ground far in advance of our expectations of a year ago. We are in evidence in every nook and corner of the State. Our numerical growth has been wonderful owing to the splendid loyal co-operation of each and every member of the entire working force."

Grand Secretary reports: Subordinate Lodge membership, 14,184; gain, 1,344. Assets, \$402,792.40.

MASSACHUSETTS.

The annual session of this Grand Lodge was held at Boston, September 3, 1914. Grand Master says: "State of the Jurisdiction—When I took office, last September, I found the Jurisdiction in an eminently flourishing and satisfactory condition in all respects but one—growth. A tabulation of the membership in Massachusetts for the last forty years has been prepared by the Grand Secretary, and will be found in the Appendix 'AA.' From this it may be seen that, in later years, the tendency has been to make a fair increase in the first half of the year, and little or none in the second. But last year, owing, principally, to exceptional circumstances reported by Past Grand Master Roberts, the first half showed, practically, no gain at all—to be precise, a gain of five. And if, then, the second half followed the precedent of the last four years, a loss in the whole year was inevitable. This was the condition which confronted us last fall. For the first time in its history the Jurisdiction of Massachusetts would report a loss in membership. What was to be done? There was no time to spend in visitations; so I betook myself to my pen. I brought the matter to the attention of our brethren. They rose as one man and attended to it.

"I have, then, the honor to report to you, for the last four months of 1913, a net gain of 496 members, the largest gain made in that half of the year since 1894, and, for the whole year from July, 1913, to July, 1914, a net gain of 1372, which is the largest gain reported for twenty years. I have also the honor to report a net gain in invested funds, during the year, of \$70,201.41, and a net gain in fraternal feeling which is quite incommensurable in figures and inexpressible in words. These remarkable results were attained, first, by the magnificent work of the Lodges, their officers and men; and, secondly, by that of the District Deputy Grand Masters. The only share that I personally, had in them was to act as an intensely interested spectator."

Grand Secretary reports: Subordinate Lodge membership, 60,436; gain, 517. Assets, \$2,635,274.87. Rebekah Lodge membership, 34,314; gain, 905. Assets, \$227,094.29.

MICHIGAN.

The seventieth annual session of this Grand Lodge was held at Flint, October 20-22, 1914. Grand Master says: "It has been a splendid year from the viewpoint of activity of our Lodges and members, and everywhere the earnest enthusiasm of the members has been an inspiration to me to do everything that lay in my power for the advancement of the work in Michigan. It has entailed many sacrifices, both personal and financial, but I have been glad to do it, when I knew that my feeble efforts were most splendidly supplemented by the great loyal Brotherhood in this State, who, in almost every instance stood ready to support me in my efforts to place Michigan Odd Fellowship more nearly at the top of the ladder of three-link success where it rightfully belongs. The last reports from the Sovereign Grand Lodge indicate that Michigan has moved from eighth to seventh place in point of membership as compared with the other Grand Jurisdictions. In per cent. of gain to membership, it stands first; in net gain it stands second, being exceeded only by the great Jurisdiction of Pennsylvania with more than 1,200 Lodges and more than 150,000 members to labor in the fields for Odd Fellowship, so that we may each of us go forth to renewed efforts with the knowledge that Michigan is most surely forging its way to the position that it should rightfully assume among the Grand Jurisdictions and the knowledge that it is to be reckoned with in the on-coming ever-changing days that are to come as one of the foremost in all things that lead to the inculcation of those great principles of Friendship, Love and Truth—that trinity of fraternal endeavor for which our Order stands."

Grand Secretary reports: Subordinate Lodge membership, 62,200; gain, 2,865. Assets, \$1,274,690.46.

MINNESOTA.

The sixty-second annual session of this Grand Lodge was held at Northfield, June 18-19, 1914. Grand Secretary reports: Subordinate Lodge membership, 23,032; gain, 706. Assets, \$1,457,744.28. Rebekah Lodge membership, 13,273; gain, 1,228. Assets, \$19,200.46.

MISSOURI.

The seventy-sixth annual session of this Grand Lodge was held at Carthage, May 19-21, 1914. Grand Master says: "The past year was one of marked improvement in all departments of our work. We have made a slight gain in membership during 1914. The future growth of Odd Fellowship is dependent upon a more careful selection of those elected to receive the mysteries of our Order and a more perfect presentation of the ritualistic work. We should endeavor to more thoroughly instruct the members of our fraternity in the principles underlying our institution. A knowledge of the intrinsic excellencies of our beloved Order will unite those admitted to our mysteries by an

indissoluble bond. We must also be more exacting in requiring Lodges to obey the provisions of the Constitution regarding the qualification for degrees, and compel every person to be proficient in the degree he has already received before he is advanced. Officers should not be installed until they have committed the charges of their respective offices and understand the duties of their respective stations, so that Lodge business may be transacted with dignity and dispatch.

"We have been so intent upon increasing our membership that the nobler purposes of Odd Fellowship have been to some extent neglected. If we maintain our present strength and every Odd Fellow carries out the mission of the fraternity, our power for good will be inestimable."

Grand Secretary reports: Subordinate Lodge membership, 63,657; gain, 78. Assets, \$2,480,908.90. Rebekah Lodge membership, 30,330; gain, 352. Assets, \$1,421.14.

MONTANA.

The fortieth annual session of this Grand Lodge was held at Butte, October 20-21, 1914. Grand Secretary reports: Subordinate Lodge membership, 6,572; gain, 317. Assets, \$193,000.00. Rebekah Lodge membership, 3,267; gain, 347. Assets, \$2,325.03.

NEBRASKA.

The fifty-seventh annual session of this Grand Lodge was held at Grand Island, October 21-22, 1914. Grand Secretary reports: Subordinate Lodge membership, 25,245; gain, 383. Assets, \$917,985.70.

NEW HAMPSHIRE.

The seventy-first annual session of this Grand Lodge was held at Laconia, October 14, 1914. Grand Master says: "I take pleasure in reporting that the Lodges in New Hampshire have as a whole shown great activity during the last year. It is indeed gratifying to know that for the term ending June 30, 1914, we made a net gain of 169 tried and true members, who I am sure will prove valuable assets to our Order. It is with equal satisfaction that I can report for the same term that our suspensions were only two-fifths of one per cent., a record of which any jurisdiction can be justly proud. Nearly all of our Lodges are in good financial condition and during the past year have increased their strength by nearly \$15,000, which is proof in itself that they are working on a conservative and economical basis."

Grand Secretary reports: Subordinate Lodge membership, 15,682; gain, 53. Assets, \$634,819.74. Rebekah Lodge membership, 16,091; gain, 183. Assets, \$62,360.98.

NEW JERSEY.

The eighty-first annual session of this Grand Lodge was held at Trenton, November 18-19, 1914. Grand Secretary reports: Subordinate Lodge membership, 30,332; gain, 411. Assets, \$1,428,424.17.

NEW MEXICO.

The twenty-fifth annual session of this Grand Lodge was held at Albuquerque, October 6-7, 1914. Grand Master says: "From the reports I have had from time to time from the different District Deputies leads me to believe considerable enthusiasm is shown, especially in the outlying country, in the work of our Order."

Grand Secretary reports: Subordinate Lodge membership, 2,475; loss, 48. Assets, \$94,264.00.

NEW YORK.

The annual session of this Grand Lodge was held at New York City, August 18-20, 1914. Grand Master says: "The whirling wheels of time have again brought us to our annual session and the duties undertaken with a great degree of trepidation are soon to be performed by others. Taking the year in retrospect it has been a fairly successful one. We now number over 126,000 in the subordinate branch. To be the executive head of a body of men representing all walks in life; different ideals; individual idiosyncrasies calls into action the most potent factors of any man who is endeavoring to fill honestly and conscientiously the duty of the Grand Master. It is not my purpose to here enlarge upon my gratitude to the Order at large for placing me in this responsible position. I trust that my work for the fraternity in the future will demonstrate in a measure the gratitude I feel for the honor conferred upon me. Nor is it my purpose to dwell upon mistakes made, for the mistakes and successes of the past year are now history. The failures, I trust, will not impede the work of my successors. If any benefit to the Order has come through my efforts during the year, I cheerfully pass it on to men who have been loyal and true to me and to the Order."

Grand Secretary reports: Subordinate Lodge membership, 126,294; gain, 1,859.

NEVADA.

The forty-eighth annual session of this Grand Lodge was held at Reno, June 16-17, 1914. Grand Master says: "I believe that a more harmonious condition has never existed in our Jurisdiction than prevails at this time. Not a single appeal has reached me during my term of office."

Grand Secretary reports: Subordinate Lodge membership, 1,596; loss, 56. Assets, \$115,284.11. Rebekah Lodge membership, 1,367. Assets, \$4,743.95.

NORTH DAKOTA.

The twenty-fourth annual session of this Grand Lodge was held at Oakes, June 2-3, 1914. Grand Secretary reports: Subordinate Lodge membership, 7,245; gain, 187. Assets, \$129,123.35.

NORTH CAROLINA.

The seventy-first annual session of this Grand Lodge was held at Durham, May 19-21, 1914. Grand Master says: "The growth of Odd Fellowship in this Grand Jurisdiction since the last session of the Grand Lodge has been quite satisfactory, and the Order now shows a vitality that is pleasing in a high degree. Our last meeting in Greensboro found the Order facing a season of depression and the outlook was far from encouraging. Reports from the Subordinate Lodges on June 30, 1913, soon after the session of the Grand Lodge, showed a loss in membership of 199 for the term, with a backward tendency apparently in full sway. Twelve hundred and fifty-two members had been dropped in dead Lodges and for non-payment of dues, and I must confess to a feeling, at that time, bordering on despair. But we are told that 'there is a silver lining to every cloud,' and that 'He who by the plow would thrive must either hold on himself or drive.' I saw at a glance, there was driving ahead and assumed the reins with the determination 'to do, or dare to try.' Plans for a forward movement were unfolded to the membership by personal letters to officers and members of the Lodges, and through our official organ, the *North Carolina Odd Fellow*. The suggestion offered met with general approval. One hundred and fifty-three Lodges responded to the call for service in a membership campaign and about seventy-five of these participated actively on the field of operations. The first period of the membership campaign was concluded, with specially arranged meetings by the Lodges interested, during the week of Thanksgiving. The revival period continued through the Christmas holidays, and proved to be a season of fellowship and good cheer. During this term, ending December 31, 1913, 1,581 additions to the membership were reported as against 1,271 for the six months previous. The net gain for term was 408, against a loss of 199, between January and July. Our total membership on January 1, 1913, was 16,088; on January 1, 1914, 16,299, showing a net gain for the year of 211. Then it was that the brethren began to take courage, and early in the new year a band of militant patriotic citizens went forth conquering and to conquer. They appeared to realize that the Order must either go forward or backward, and that it would not go forward without effort and co-operation. A 'home-coming' event was suggested by our venerable Grand Secretary and the forward movement received added impetus in the efforts put forth by many of our Lodges to bring back former brothers who had permitted their memberships to lapse. Reports from the Lodges that observed the 'home-coming' period indicate the reinstatement of scores of brethren who

had ceased to affiliate with the Order. And, in the meantime, new applications for membership continue to pour in, and our beneficent organization now appears to be making steady progress.

"But taking a retrospect of the year's work, I feel that the expansion of the Order should have been greater than it was. If we wish to accomplish aught in this world, whether great things or those of minor import; if we wish to have them done well we must do them ourselves. Not in any half-hearted way, but with the dynamic power that never fails to accompany concentrated driving, irresistible ambition. We have not reached the fullest fruition in realizing the golden precepts of the Order, for it should be twice the size we are privileged to report in numerical strength. However, human effort, no matter how earnest and progressive, is limited. We meet with obstacles on every hand and are often restricted in the results obtained, when the ratio of energy put forth is the largest. And, while I do not wish to be hypercritical, I feel that I should impress upon your minds individually and collectively, the necessity for personal activity in the interest of the Order, and the need of growing in the faith that has the power to move mountains. If we are lacking in this faith, we cannot develop our splendid Order so as to attain the symmetrical and imposing proportions that we all believe it ought to reach. If our membership is to be materially increased, as it should be, there is only one way to perform the feat; and that is for every Odd Fellow in this good State of freedom and opportunity, to **put forth his whole** energy into the work of augmenting the membership of his Lodge and backing up that activity by the avowed determination to see Odd Fellowship retain its position as the most forcible and influential philanthropic Order in North Carolina. The forward movement is still in progress and many of the smaller Lodges are just now beginning to imbibe something of the revival spirit. Let every true Odd Fellow join in the effort to gather new members into the fold, with the full determination to make this the most successful year the Order has ever experienced in the commonwealth."

Grand Secretary reports: Subordinate Lodge membership, 16,299; gain, 211. Assets, \$306,500.83. Rebekah Lodge membership, 2, 594; loss, 213.

OHIO.

The eighty-second annual session of this Grand Lodge was held at Dayton, June 16-19, 1914. Grand Master says: "The report for the year 1913 showed a large increase in membership, and great interest in the growth of Odd Fellowship was manifested in nearly every Lodge in the State. Immediately after the January Installation, I sent a request to each Lodge to secure a class for initiation on the first meeting night in March, 1914. From reports received from the Lodges more than two thousand and five hundred candidates were admitted to the Order, and our membership on April 1, 1914, exceeded the

ninety thousand mark. The great growth in the Order the past year could not have been made, had not all the Lodges of the State, and the Officers thereof, earnestly assisted me in this great work. I feel that each Lodge should claim its full share of credit for the victory achieved."

Grand Secretary reports: Subordinate Lodge membership, 87,788; gain, 1,959. Assets, \$3,255,428.54. Rebekah Lodge membership, 45,812; gain, 472. Assets, \$12,655.55.

OKLAHOMA.

The fourth annual session of this Grand Lodge was held at Tulsa, October 6-8, 1914. Grand Master says: "I am pleased to report to this Grand Body that from information received from various sections of the Jurisdiction that the fraternal standing in our Order was never better than it is to-day. Odd Fellowship has never before encountered in a financial way anything that was equal to the straits into which the people have been thrown for the past two years, but notwithstanding the pangs that have sunken deep into the hearts of men during that period, Odd Fellowship by our people has not been forgotten and neglected during all these oppressions, but has grown steadily, the tendency of which is Onward and Upward and with the prosperity that is brought in the western part of our Jurisdiction because of the abundant wheat crop that is yielded to the relief of its citizens and of the great prospects of the cotton crop in the southern and eastern part of our State, there is no power that can check the growth of Odd Fellowship during the next year, and I do hope and believe that every Odd Fellow known to our Fraternity will do well his part for the incoming term and the next Grand Master will possibly have the pleasure of reporting a greater gain in Odd Fellowship than was ever made during any Grand Master's term of office. We have fought the battle during our term of office as best we knew how, and it will be left for you to say whether we have done well or not."

Grand Secretary reports: Subordinate Lodge membership, 35,095; gain, 1,861. Assets, \$664,592.64. Rebekah Lodge membership, 13,288; loss, 323. Assets, \$16,310.16.

ONTARIO.

The sixtieth annual session of this Grand Lodge was held at Toronto, August 13-14, 1914. Grand Master says: "From the report of our Grand Secretary you will see that a substantial increase has been made in our membership, and in the assets and invested funds during the past year. This is very desirable, but what is more pleasing is the fact that throughout the entire jurisdiction there is an increasing desire to have the work of the degrees more uniformly and perfectly given, and with the entire absence of rituals. More and more

the general public is recognizing that, not only are Odd Fellows zealous and energetic in carrying out the command 'to visit the sick, relieve the distressed, bury the dead, and educate the orphan,' but that our Order is one of the strongest factors in the social and moral development of our people.

"We have now 401 active working Lodges, with a membership of 53,602. Considering the fact that we have had a year of financial stringency I feel you will agree with me that this is a very satisfactory showing."

Grand Secretary reports: Subordinate Lodge membership, 51,974; gain, 2,528. Assets, \$2,214,595.06. Rebekah Lodge membership, 10,417; gain, 1,630. Assets, \$28,347.86.

OREGON.

The fifty-ninth annual session of this Grand Lodge was held at McMinnville, May 20-21, 1914. Grand Master says: "Brothers:—Once more we are permitted to meet together to witness the passing of another year in the onward march of time of Odd Fellowship in this State. I have labored hard for the advancement of Odd Fellowship in our Jurisdiction since becoming your Grand Master, and I am gratified with the increase in membership for 1913. They tell us that 13 is an unlucky number, but for 1913, I feel that we should congratulate ourselves over the gain in membership, although we did not reach the 20,000 mark. We went up and not down; our gain for 1912 was 530; I am proud to report to you that for 1913 our gain is 651; I want to congratulate Odd Fellows for their noble work, and predict we will have a large gain in membership for 1914. My knowledge is gained from visitations, reports from D. G. M. Galloway, Grand Warden Hall, and Lodge Officers. The Lodges in Oregon are generally speaking in prosperous condition, both financially and numerically. The membership on December 31, 1913, was 19,691, a mighty army for the uplift of humanity, the purpose for which Odd Fellowship exists."

Grand Secretary reports: Subordinate Lodge membership, 19,691; gain, 651. Assets, \$1,812,965.23. Rebekah Lodge membership, 10,903; gain, 793. Assets, \$42,755.77.

PENNSYLVANIA.

The ninety-first annual session of this Grand Lodge was held at Harrisburg, May 19-21, 1914. Grand Master says: "A careful survey and study of present conditions in our Jurisdiction leads to the conclusion that our Lodges are in a prosperous condition and doing excellent work. While it is true that in some instances our membership appears indifferent and apparently fails to fully appreciate the true intent and purposes of Odd Fellowship—what it should mean to them and what its opportunities through them might mean to others—still

we confidently assert that never before in the history of Pennsylvania Odd Fellowship has our membership, as a whole, been more earnest, more active or more determined to perform its full duty to themselves, their Lodges and to the community in which they live, than at present. This spirit is not confined alone to efforts to secure new members, but it is apparent in a deeper, keener appreciation of responsibility on the part of the individual member and an earnest endeavor to live and act in accordance with the teachings of our beloved Order. I am fully convinced that our membership is manifesting more and more in their intercourse with their fellow-man, the true fraternal spirit permeating the lessons taught in our Ritual, thus placing Odd Fellowship among the leaders in the movement for the betterment of the conditions of mankind now sweeping over the length and breadth of our land and born of the spirit of mutual help and kindly consideration for 'the other fellow.'

Grand Secretary reports: Subordinate Lodge membership, 157,751; gain, 5,168. Assets, \$6,426,234.72.

RHODE ISLAND.

The seventy-first annual session of this Grand Lodge was held at Providence, May 5, 1914. Grand Master says: "It is gratifying to report a gain in membership, and the activity manifested among several of the Lodges last year has continued, and there is every reason to believe that it will continue and increase so that the present year will show a still greater gain in membership.

"Peace, harmony and good fellowship have prevailed among us, and on every hand we have been greeted with enthusiasm. We have tried to impress upon members of the Lodges the value of retaining the members they already have, and endeavoring to add from time to time those who will ultimately reflect honor on our beloved Order."

Grand Secretary reports: Subordinate Lodge membership, 6,430; gain, 61. Assets, \$391,096.81. Rebekah Lodge membership, 3,615; gain, 86. Assets, \$9,353.91.

SASKATCHEWAN.

The seventh annual session of this Grand Lodge was held at Regina, June 3-4, 1914. Grand Master says: "From information obtained from visits, and reports received from other sources, the Lodges are in a fairly good condition. Some of them are somewhat inactive, due to various causes, yet continue to make their reports to the Grand Secretary, with some degree of tardiness, it is true, but all have reached his office with the exception of one, for the term ending December 31, 1913."

Grand Secretary reports: Subordinate Lodge membership, 6,815; gain, 955. Assets, \$234,875.51. Rebekah Lodge membership, 3,108; gain, 683. Assets, \$5,123.54.

SOUTH DAKOTA.

The thirty-ninth annual session of this Grand Lodge was held at Watertown, May 20-22, 1914. Grand Master says: "The Order throughout the Jurisdiction is in a healthy condition and has enjoyed a reasonably fair growth during the year. Not as great as we had hoped for, but considering the drouth conditions that have prevailed over a large portion of the State and the somewhat unsettled financial situation, we have no reason to complain and many reasons to congratulate the membership for the advancement made. We believe no similar society in the State has done better, if as well, during the year. No Subordinate and but one Rebekah charter has been surrendered and there have been six Subordinate Lodges and one Rebekah Lodge instituted."

Grand Secretary reports: Subordinate Lodge membership, 12,658; gain, 370. Assets, \$375,557.04. Rebekah Lodge membership, 8,554; gain, 285. Assets, \$612.42.

TENNESSEE.

The seventy-fourth annual session of this Grand Lodge was held at Nashville, October 21-22, 1914. Grand Master says: "On assuming the duties of the office of Grand Master at our last session I was not unmindful of the fact that the falling off of membership for the previous year had been very large indeed. I fully realized the large decrease (dropped for non-payment of dues) had made wonderful speed downhill and that extraordinary efforts must be put forward to check it. The following table will show the conditions for the past six years:

Year.	Increase.	Decrease.	Dropped.	Reinstated.	Membership.
1908	286	3,789	613	35,290
1909	789	4,087	576	34,507
1910 410	3,486	919	34,948
1911	833	3,490	886	34,115
1912	164	3,260	683	34,001
1913	2,407	3,643	656	31,544
1914	561	2,922	682	30,983

"All the Grand Jurisdictions under the Sovereign Grand Lodge have made a gain in membership this last year, except eleven, of which Tennessee is one. I am very anxious indeed, since we have almost stopped this falling off, to start the procession up the hill to a grand success which I am sure will be realized if we but work.

"Even now I must say we have a mighty army bent on the uplift of humanity and justifying our faith in the ultimate accomplishment of a universal fraternity in the family of man. Harmony prevails to a most gratifying degree. The degree work is being done in splendid form. Our principles are becoming more widely known and glorious achievements are crowning our efforts."

Grand Secretary reports: Subordinate Lodge membership, 30,983; loss, 561.

VERMONT.

The sixty-eighth annual session of this Grand Lodge was held at Montpelier, May 21, 1914. Grand Master says: "The March of Time finds us advanced another year upon our Mission of Humanity. The Independent Order of Odd Fellows looks back over nearly a century of splendid achievement. The record has been remarkable in every feature. During the past twelve months in our own Jurisdiction, we note with satisfaction that our numbers have increased, our finances have been strengthened, our benefactions extended, and the ideal spirit of Brotherhood more nearly realized than ever before. However in a few Lodges, where certain members are not yet imbued with that genuine spirit which the teachings of Odd Fellowship engenders, there is friction and discord. This has resulted usually from incompetent officers, or from neglect of constituted legal authority, or from careless and unbusinesslike methods of procedure."

Grand Secretary reports: Subordinate Lodge membership, 7,589; loss, 14. Assets, \$118,690.52.

VIRGINIA.

The seventy-seventh annual session of this Grand Lodge was held at Lynchburg, May 12-13, 1914. Grand Master says: "During my administration I have constantly kept in mind two ideas which I regard as fundamentally important to the Order. The first and greatest of these is the idea that if we would make our great institution a success there must constantly be present in the minds and hearts of the individuals composing the Order an intelligent understanding and knowledge of its fundamental principles. As a consequence of such understanding and knowledge there comes an earnest belief in the purposes of the Order, and an enthusiasm to carry out such purposes. The Order cannot fully succeed unless its members are influenced by an enthusiasm that bids them go forward at all times. There seems to be a law of life that forbids men, or institutions composed of men, to stand still; men, or institutions composed of men, must either go forward or backward—to stop is death.

"The other idea I refer to is that of losing members by the non-payment of dues and would not be worth mentioning if the general Order in the State were composed only of members who have an intelligent understanding of the principles of the Order and were imbued with an enthusiasm that presses them forward in carrying out these principles. Enthusiastic Odd Fellows do not become delinquent and lose their membership in the Order in consequence. It is the man who loses his enthusiasm and consequently his interest in the Order who loses his membership therein by reason of becoming delinquent.

I do not believe there is a single instance in the history of delinquent members that is not due directly to such member losing his enthusiasm for the Order. I know it is true that there are some persons who join the Order who seem to be incapable of fully understanding and appreciating its principles and purposes. There seems to be no way to save such a member. A number of such persons got into the Order during the time that the Subordinate Lodges were permitted to use the club plan. I think a strict analysis of a vast majority of the delinquents occurring for the last few years will show that they were members who were introduced into the Order under this club plan. We may not be able to augment our numerical strength as rapidly in absence of the club plan as we did under that plan, yet I believe the members now secured will be of inestimably more value to the Order than the majority of the members secured under the club plan."

Grand Secretary reports: Subordinate Lodge membership, 28,804; loss, 310. Assets, \$104,322.84. Rebekah Lodge membership, 2,538; loss, 241. Assets, \$7,500.00.

WASHINGTON.

The thirty-sixth annual session of this Grand Lodge was held at Spokane, June 9, 1914. Grand Master says: "Because of the financial condition of the country, and because our Jurisdiction had for some time given considerable attention to the membership side of our Order, I felt, upon assuming the duties of Grand Master, that a change of policy would not be amiss. Knowing that I should pass this way but once, and having been ever an ardent believer in the efficacy of Love to build up and sustain, I followed the desire of my heart and have endeavored to make the administration one of sincere friendship, unfeigned love and simple truth—a year in which the membership should be bound more closely by the ties of Fraternity—a year for the preaching and the practicing of 'More Brotherly Love.'

"For the adoption of the policy of the year, I assume all responsibility, and all errors of judgment must be charged to me. Possibly, some other plan of action would have been wiser, but if by the policy adopted this Jurisdiction has been strengthened in Fraternity—if the Lodges have been filled with more Brotherly Love—if the members are more fully imbued with the spirit of Odd Fellowship, or have in a greater degree grasped the true cause of our Order—if it has been a year in which Fraternity has been embodied in acts of humanity; then am I satisfied—yea, far more than had I trebled the membership of the Jurisdiction.

"The general condition of the Jurisdiction is good. Taken as a whole, the Lodges are upon a solid basis and have promptly met all claims for sick and funeral benefits. The per capita tax has been heavy for the weaker Lodges and their N. P. D. list is larger because of their inability to longer carry the delinquent brothers.

"However, from the expressions of the members of these Lodges, and from the letters of the Secretaries and D. D. G. M.'s., I am convinced that the Lodges have not been weakened, and furthermore, I am satisfied that the 'house cleaning' has been very thorough and that we may expect 1914-15 to be, under the able leadership of the next Grand Master, a year in which not only our increase in membership will be satisfactory, but one in which the candidates will be chosen with greater care and with an eye single to the glory of our beloved Order. Many of those dropped had been carried for several years and had been of little or no use either in or out of the Lodge-rom. The loss of those members does not weaken the Lodge. Rather, we may conclude that the Order as a whole is benefited. It is very evident that in the selection of candidates the Lodges should seek those who will become brothers—not just members—brothers willing to sacrifice and to serve—willing to put something into Odd Fellowship."

Grand Secretary reports: Subordinate Lodge membership, 27,942; gain, 158. Assets, \$1,870,036.29. Rebekah Lodge membership, 22,302; gain, 228. Assets, \$73,985.50.

WEST VIRGINIA.

The forty-ninth annual session of this Grand Lodge was held at Clarksburg, October 13-15, 1914. Grand Secretary reports: Subordinate Lodge membership, 27,068; gain, 764. Assets, \$768,850.00. Rebekah Lodge membership, 6,506; gain, 514. Assets, \$1,048.61.

WISCONSIN.

The sixty-eighth annual session of this Grand Lodge was held at La Crosse, June 2-4, 1914. Grand Master says: "Our Order at present is in a very flourishing condition, notwithstanding that we lost a great many during the year by being dropped for N. P. D. We have made a net gain for the year of a very substantial increase. And as 'Forward' is the motto of our great and glorious State, let us also make it the motto of our great and glorious Order."

QUEENSLAND.

The sixth annual session of this Grand Lodge was held at Brisbane, April 11-13, 1914. Grand Master says: "Representatives and Brethren—In submitting my report as Grand Master of the Order for the

past two years, I have to deplore the fact that no progress in the way of extension has been made during my term of office, and it is a matter of regret to me, that it has been found necessary to close two Lodges, but I may say that when we failed to pass Legislation for the appointment of an Organizer at the last Grand Lodge Session, I had not much hope of making much progress numerically during my term of office. However, it is pleasing to notice that the funds show a substantial increase, and I sincerely trust that at the present Session Legislation will be passed to enable our Order to occupy that position among Friendly Societies which it should occupy."

Grand Secretary reports: Subordinate Lodge membership, 1,744; loss, 46. Rebekah Lodge membership, 232; loss, 37. Assets, Grand and Subordinate Lodges, \$107,069.19.

Grand Master says: "While several joined during the year, a large number ceased membership through various causes, but it is gratifying to know that the energy of members is still in evidence, and those Lodges who lost members last year are recovering their loss by introducing new members. In comparing 1913 with 1912 you will find we gained 188 financial members, while in 1912 we lost 119 financial."

Grand Secretary reports: Subordinate Lodge membership, 4,931; gain, 33. Rebekah Lodge membership, 902; gain, 8. Juvenile members, 1,552; loss, 23. Assets, Grand and Subordinate Lodges, \$384,229.25.

Two country Lodges, namely, Koyuga and Federal, were closed, notwithstanding efforts to keep them open. One new Lodge was opened. Thirty-four metropolitan Lodges increased their membership, whilst eight Lodges showed a decrease. In the country districts twenty-two Lodges showed an increase, whilst twenty-nine showed a decrease, and two remained stationary."

SUPERINTENDENT AND MATRON.

As my predecessor stated in his last annual report, probably no other brother, unless he be a resident of the Home, has a better opportunity than the President to know of the good work done by our good Brother and Sister Woodward. Much of the peace and much of the prosperity of the Home has devolved upon them and they have never been found wanting. For twelve years they have served this Association and served it faithfully, and the experience which they have had has qualified them so they are able to manage the affairs at the Home in such a manner that every brother and sister in this Jurisdiction should feel thankful to know that the brothers and sisters at the Home are being cared for with kindness and respect.

HOME PHYSICIAN.

We are very fortunate in having as the Home physician, Dr. John T. Black. His work needs no words of mine to express what we know he is doing for those who are needing medical care at the Home, but I take this opportunity of thanking him for his interest in the residents of the Home and our Order.

GRAND MASTER'S DAY.

April 26, 1914, while very unpleasant, was very pleasant inside and each year brings a larger attendance, which is very gratifying to the Managers. We are again indebted to our Grand Chaplain, Rev. Charles H. Smith, for the program which he arranged for our use and in which he so ably assisted us to carry out.

All branches of the Order were represented. The brothers of Clifton Lodge, No. 30, of Winsted, sent a portrait of Grand Master Frank E. Roys, which was presented to the Home by the Grand Secretary, W. S. Hutchison. Remarks were made by all the elective officers of the State

Assembly and many others. After the close of the exercises all were given an opportunity to visit the residents and look over the Home property. Mrs. Woodward and her assistants then served lunch.

BOARD OF MANAGERS.

The Board of Managers held three meetings during the year, one at Groton, Fairview, April 25, 1914; one at New Haven, October 24, 1914, and one at Groton, Conn., December 7, 1914. The meetings were very harmonious and the business transacted was all for making those at the Home more comfortable and happy.

At the meeting held April 25, 1914, I appointed the following named brothers on the standing committees:

Finance—William S. Hutchison, Grant U. Kierstead and H. C. F. Howell.

Supplies—Frank R. Upson, Charles A. Reed and Hugo L. Patzold.

Property—Philip Pond, Charles E. Gates and Selah G. Blakeman.

Printing—Wallace R. Johnson, F. E. Greene and F. M. Canfield.

Library—Algot Johnson, H. J. Hirsch and F. K. Woolworth.

SECRETARY AND TREASURER.

I wish personally to thank both the Secretary, Brother Johnson, and Treasurer, Brother Clarkson N. Fowler, for their efforts to make our Home the best in the land, and when you read their yearly reports you, I am sure, as brothers will feel that they have done their work well.

MEMORIAL DAY.

May 30, 1914, a committee from Fairview Lodge, No. 101, Brothers P. B. Henry, F. Sleeper and P.G. Edward F. Walsh, decorated the graves of those brothers who are buried in the Home cemetery. To these brothers I express our sincere thanks.

NEW YEAR'S DAY.

The Home Committee appointed by the President of the Rebekah State Assembly, Mrs. Elizabeth Manville, comprising Sisters M. Louise Johnson, of Osprey, No. 20; Isabelle Stewart, of Orient, No. 27, and Bertha Crane, of Home, No. 50, asked each Rebekah Lodge in the State for money to give Christmas cheer to the residents at the Home. The contributions were so generous that each of the 34 brothers at the Home was presented with one wool sweater, pair of trousers, pair of suspenders, box of candy and one new dollar bill. To each of the three sisters residents of the Home, one silk waist, a kimona, one white apron, a box of candy and a new dollar bill.

The following magazines for one year were also presented by the committee: *Cosmopolitan*, *Red Book*, *American*, *Everybody's*, *McClure's*; two bed quilts and two boxes of cigars.

Members of the Lodges from New London came over and gave "minstrels" which was greatly enjoyed, as was also the monologue given by the Treasurer of the Assembly, Miss Clara B. M. Douglas. Brother Wallace R. Johnson again acted as Santa Claus and distributed the presents in his usual pleasing manner.

Present were the Grand Master, Henry C. Stevenson; Grand Secretary William S. Hutchison, President of Assembly Mrs. Elizabeth A. Manville, Vice-President Mrs. Katie J. Reynolds and many brothers and sisters from Groton and New London. This good work is greatly

appreciated by the management, and the Rebekahs of this State are to be congratulated on the success of this good work. The President of the Home extends his personal thanks to each Rebekah Lodge for their generosity, and to the committee for their good work. Also to Mrs. Woodward and her assistants in serving ice cream and cake at the conclusion of the entertainment.

STOCK.

On February 28, 1915—Two horses, five cows, two yearlings, two calves, one bull, nine hogs.

RECOMMENDATIONS.

That a per capita tax of fifteen cents be levied the same as last year.

CONCLUSION.

In closing, I wish to speak of Past Grand Master and Past President of the Home Brother Leopold deLeeuw. His work on earth is ended, but it will always live in our hearts. This Jurisdiction has lost a faithful brother.

Words fail to express my appreciation of the comfortable and modern barber chair presented by the Guards of Adelpian Lodge, No. 80, of Bridgeport.

I wish to thank every member of the Order in the State who has in any way helped to make our Home the beautiful Home it is; to all committees, the Board of Managers and all others who have in any way contributed to the Home. I can only say your efforts have proved successful.

Respectfully submitted,

MARCUS L. REYNOLDS,

President.

REPORT OF THE PROPERTY COMMITTEE.

NEW HAVEN, CONN., March 17, 1915.

To the Corporators and Associate Corporators of the I. O. O. F. Home of Connecticut.

BROTHERS :—Your Property Committee herewith respectfully submits its annual report.

The property of the Home has been permanently improved further during the past year. While no large undertaking has been put through, the things that have been done have been important and substantial improvements. The brick piers and wooden posts in the cellar of the main house have been replaced by large iron columns, and the cellar has been graded and concreted. In the west end a store-room large enough for all the supplies that are needed for the Home has been built, and the hot air engine in the east end of the cellar used for pumping water from the well has been raised to the level of the cellar bottom. New stairs have been put in from the cellar to the first floor.

A cement walk has been laid from the milk house to the cottage and the green house, and a cement wall has been put in on the east side of the driveway east of the buildings. For the purpose of this wall a trench was dug down to hard-pan, the wall being built from that base to about a foot above the driveway. To stop the water from getting into the dormitory cellar a drain pipe was laid back of the wall just mentioned, the pipe being covered with broken stone to a depth of about five inches and then with earth to the surface of the ground. This drain pipe runs from the milk house to the south end of the driveway, where a large hole was dug and then filled with stone. Your committee is confident that this will take care of the water that has been an annoyance heretofore.

A cement walk has been laid from the south end of the driveway to the steps of the south veranda of the dormitory; the shed on the east side of the horse barn has been shingled and the inside of the spring house sheathed. The roadway to the house has been improved through the application of many loads of cinders and ashes; new gutters and drains have been laid; and new fixtures put in the toilet, and a new cistern pump in the annex.

We have put in about seventy rods of Pittsburg wire fence, about twenty-five rods of double-faced stone wall, and about twelve rods of fencing, part of stone and part of wire. In building the stone fences a trench four feet wide and two to three feet deep was dug; this trench was filled with stone to the level of the ground and the wall built on top of the foundation thus made. In this way the loam has been saved for use wherever needed, and a large quantity of stone cleared from the land and used in the walls and foundations. The usual number of minor repairs required for the proper maintenance of the property have been attended to.

Respectfully submitted,

PHILIP POND,
CHARLES E. GATES,
SELAH G. BLAKEMAN,
Property Committee.

NORWICH, CONN., January 28, 1915.

To the Board of Manager of the Odd Fellows Home of Connecticut:

Shetucket Lodge, No. 27, beg leave to present the following resolution to be acted on at the next annual meeting of the Corporators of the Odd Fellows Home of Connecticut:

At the annual meeting of Shetucket Lodge, No. 27, I. O. O. F., held Tuesday evening, January 26, 1915, the following resolution was unanimously adopted, and the Corporator was instructed to present it to the meeting of the Board of Corporators at the meeting in March, 1915:

Resolved, That in the opinion of this Lodge, the aims and objects of our Order would be better attained if the expense of the I. O. O. F. Home were equally divided upon the entire membership of the State, and not borne by the Lodges who have brother residents of the Home. All the homes in the United States, with a few exceptions, are supported by an equal assessment upon all the members; therefore be it

Resolved, That Shetucket Lodge, No. 27, hereby presents this resolution to the Board of Corporators, and recommends that an assessment of *one cent a week* be laid upon the entire membership of the State each year for the support of the Home, to be collected in addition to the regular dues and that the Home tax of 15 cents and the Board of residents be done away with, and thus put our Home on the same basis as other Homes of the same kind, and that the By-Laws of the Home be amended to conform with this resolution.

(Signed) SHETUCKET LODGE, No. 27, I. O. O. F.

Attest: LOUIS MABREY, P.G., *Secretary*.

(Seal of Shetucket Lodge,
No. 27, I. O. O. F.)
